# ABOUT US

## Valmed Ecza

### A Trusted Name in Healthcare and Dietary Supplement Manufacturing

Valmed Ecza, a leading Turkish holding company, is globally dedicated to advancing healthcare and nutritional well-being. The company specializes in manufacturing high-quality food and dietary supplements and combines scientific innovation with a strong commitment to quality and safety.

Valmed Ecza bridges the gap between science and wellness, creating impactful health solutions that cater to diverse needs. With a focus on research-driven practices and a global perspective,

Valmed Ecza is a trusted partner for individuals and businesses seeking reliable and effective healthcare products.

## Wellvalens

### The Nutritional Solutions Expert

As a proud subsidiary of Valmed Ecza, Wellvalens embodies excellence in the development and manufacturing of premium-quality food supplements.

Specializing in vitamins, minerals, and dietary supplements, Wellvalens upholds rigorous international standards to ensure safety, efficacy, and unparalleled quality in every product.

By combining advanced science with consumer-centric design, Wellvalens actively contributes to Valmed Ecza's overarching mission: enhancing health and wellness for individuals across the globe.

# VISION & MISSION

## OUR VISION

"To become the cornerstone of wellness in every home, empowering individuals worldwide to thrive and live their best lives."

## OUR MISSION

"At Wellvalens, we're on a mission to provide premium-quality food supplements and dietary products that support holistic wellness. With a global perspective, we listen to diverse communities, understand their needs, and craft solutions that make a real difference in their lives, no matter where they are."

YOUR DAILY DOSE OF GOODNESS

# QUALITY ASSURANCE

"Trust in Health, Excellence in Production"

## MANUFACTURING STANDARDS

Our manufacturing processes are fully certified, adhering to the highest industry standards to ensure unmatched quality and reliability in every product we create.

## MANUFACTURED WITH EXCELLENCE

Our products are proudly crafted in GMP-compliant facilities, ensuring consistent quality, safety, and reliability you can trust.

## INTERNATIONALLY CERTIFIED QUALITY

Produced in ISO-certified facilities, our products meet global standards, ensuring exceptional quality and reliability in every batch.

## CRAFTED WITH PREMIUM-GRADE INGREDIENTS

We use only the finest, high-quality ingredients to ensure superior efficacy and excellence in every product.

## PHARMACEUTICAL-GRADE QUALITY

Our products are developed to meet the highest standards of purity, safety, and effectiveness, ensuring unmatched reliability for your health and wellness needs.

# PRODUCTS RANGE

At Wellvalens, we offer a comprehensive range of health and wellness products designed to meet diverse needs

## Vitamins & Minerals

Our selection includes essential vitamins and minerals, such as Vitamin A, B, C, D, and E, as well as vital minerals like calcium and magnesium, to support overall health.

## Beauty & Skincare

Our selection includes essential vitamins and minerals, such as Vitamin A, B, C, D, and E, as well as vital minerals like calcium and magnesium, to support overall health.

## Special Supplements

We provide products aimed at enhancing beauty from within, including collagen supplements and other formulations that promote healthy skin, hair, and nails.

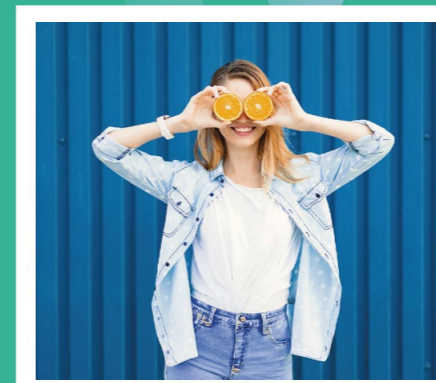

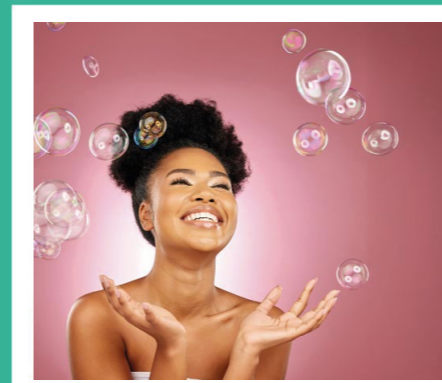

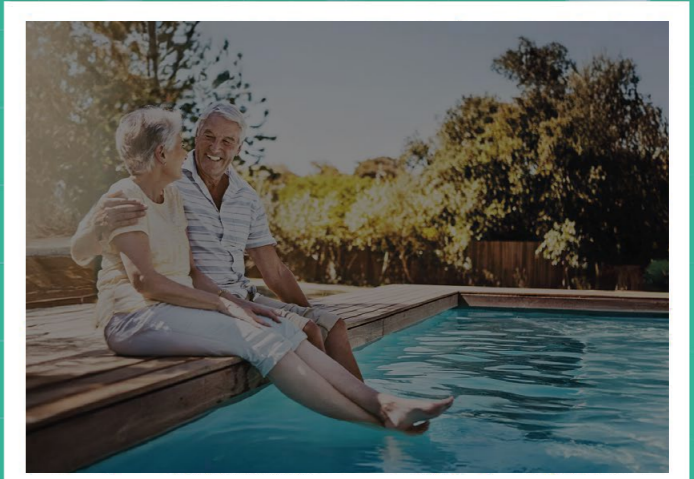

## Children's Vitamins

Our special supplements cater to specific health needs, offering targeted support for various conditions and wellness goals.

"Take steps towards a healthy future with Wellvalens Products"

## DIGESTIVE & LIVER HEALTH

# DIGESTIVE ENZYMES

Powerful Enzyme Support for Better Digestion

**'Break Down, Absorb, Thrive!'**

## Key Features

### Lipase

Aids in the breakdown and absorption of fats, improving fat digestion.

### Amylase

Helps in the digestion of carbohydrates by breaking down starches into sugars.

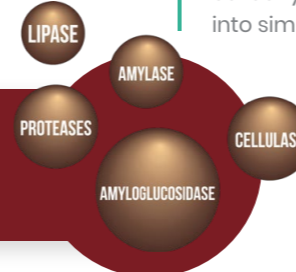

### Amyloglucosidase

Assists in further breaking down complex carbohydrates, helping to convert them into simpler sugars for energy.

### Proteases

Facilitates protein digestion by breaking down proteins into amino acids.

### Cellulose (Hemicellulose)

Supports the digestion of plant fibers, promoting smoother digestion of plant-based foods.

## Product Specifications

<b>Target Group</b>	: Adults
<b>Dosage Form</b>	: Wellvalens Digestive Enzymes comes in the form of 30 Tablets
<b>Recommended Usage</b>	: Adults take 1 tablet once per day with 1 glass (200ml) water as a dietary supplement. Or as physician advise
<b>Active Ingredients</b>	: Lipase 50 mg (0.72 KLU/g), Alpha Amylase 40 mg (178.0 FAU/g), Proteases 15 mg (16.89 UHB/g), Amyloglucosidase 10 mg (260.0 u/g) and Hemicellulase(cellulose) 6.8 XylH/g
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C Keep away from children's reach

## Benefits

### Enhanced Digestion

Helps break down fats, carbohydrates, and proteins efficiently, reducing bloating, gas, and discomfort after meals.

### Improved Nutrient Absorption

By breaking down food into smaller, absorbable components, the enzymes improve the body's ability to absorb essential nutrients.

### Supports Healthy Gut Function

Enzyme supplementation aids in reducing digestive stress and promoting a healthier gut environment.

### Assists with Digestive Disorders

also known as glucoamylase, is an enzyme that further breaks down complex carbohydrates, particularly starches and dextrans, into glucose molecules. Helps ensure complete digestion of carbohydrates, especially in individuals with compromised carbohydrate digestion.

### Improves Energy Levels

By efficiently converting food into nutrients and energy, it can help improve energy levels and reduce fatigue after eating.

# DETOXIMAX

## SILYMARINE

Advanced liver & detox cleansing formula

Pure Detox, Strong Core.

### Product Specifications

<b>Target Group</b>	: Adults in need of liver detox support, especially those exposed to toxins, alcohol, or heavy meals.
<b>Dosage Form</b>	: Wellvalens Detoximax comes in the form of 30 Capsules
<b>Recommended Usage</b>	: Adults aged 11 and over: Take 1 capsule daily with water, preferably after a meal, or as advised by a healthcare professional.
<b>Active Ingredients</b>	: Milk Thistle Extract 375 mg, Silymarin 300 mg, Oat Extract 225 mg, Artichoke Extract 30 mg, Dandelion Extract 15 mg, Turmeric Extract 15 mg, Curcuminoids 6.75 mg.
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: Store in a cool, dry place below 25°C, away from direct sunlight and moisture. Keep out of reach of children.

## Key Features

### The Ultimate Hepatic Shield (High-Dose Silymarin)

Powered by a massive 375mg of Milk Thistle Extract, providing 300mg of pure Silymarin. This high-potency formula acts as a biological filter, protecting liver cells from toxins and oxidative stress.

### Precision Metabolic Cleansing Featuring Artichoke and Dandelion extracts,

DetoxiMax stimulates bile production and enhances your body's natural ability to flush out metabolic waste, ensuring a deeper, more effective internal cleanse.

### The "Anti-Bloat" Digestive Harmony Say goodbye to post-meal heaviness

This synergistic botanical blend aids in the efficient breakdown of fats and eases digestive discomfort, leaving you feeling lighter and more energized.

### Relieves heaviness, bloating, and digestive discomfort

Aids in the breakdown and absorption of fats, improving fat digestion.

### Inflammatory Response & Antioxidant Defense Enriched with Turmeric

Extract (Curcuminoids) to target systemic inflammation. It doesn't just detox; it actively neutralizes free radicals that contribute to cellular aging and fatigue.

### Natural Vitality & Energy Renewal

By removing the "toxic load" from your liver, DetoxiMax helps restore your natural energy levels. Feel a renewed sense of vitality as your body's primary filtration system operates at peak performance.

### Botanical Gut Support (Oat Extract Advantage)

Includes Oat Extract to soothe the digestive tract and support a healthy gut environment, making the detoxification process gentle yet highly effective for daily use.

### The Modern Lifestyle Antidote

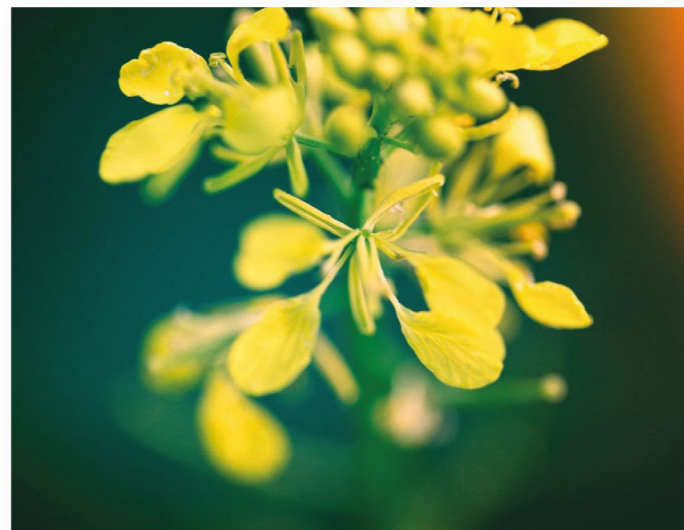

Designed for those exposed to urban pollutants, processed foods, or heavy meals. It's the perfect daily ritual to counteract the stresses of modern living and maintain long-term organ health.

# SENNAPRO LAX

Gentle herbal laxative with magnesium support

Gentle Support for Natural Regularity.

## Product Specifications

<b>Target Group</b>	: Adults aged 18+ experiencing occasional constipation due to lifestyle or dietary factors.
<b>Dosage Form</b>	: Wellvalens SennaproLax comes in the form of 30 Tablets
<b>Recommended Usage</b>	: 1 tablet at night with a glass of water (200 ml)
<b>Active Ingredients</b>	: Senna Leaf Extract (Cassia angustifolia) – standardized to Hydroxyanthracene Glycosides (Sennoside B) 75 mg Magnesium (from Magnesium Oxide) 250 mg Fennel Extract 10 mg Apricot Juice Dry 170 mg Std. to Hydroxyanthracene Glycosides (as Sennoside B) 15 mg
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: Store in a cool, dry place below 25°C. Keep out of reach of children. Not suitable during pregnancy or breastfeeding. Consult a healthcare provider before use if needed.

## Key Features

### The Precision-Standardized Advantage

Contains 75mg of Senna Leaf Extract, standardized to exactly 15mg of Sennoside B. This scientific precision ensures a reliable and measured laxative effect, eliminating the guesswork of traditional herbal remedies.

### Neuromuscular Intestinal Support

Formulated with 250mg of Magnesium to support the vital muscular contractions (motility) of the gastrointestinal tract. It helps move stool naturally and efficiently, addressing slow transit at its source.

### "Gas-Free" Digestive Comfort

Enriched with Fennel Extract, a traditional soothing agent that actively reduces bloating, trapped gas, and the abdominal tension often associated with constipation. It guarantees relief without the cramping.

### Fiber-Rich Apricot Infusion

Includes 170mg of Apricot Juice Dry, providing a natural source of antioxidants and fiber. This addition supports healthy hydration in the gut and enhances the overall palatability and tolerance of the formula.

### Gentle Peristaltic Stimulation

SennaPro Lax works by gently stimulating the intestinal walls (peristalsis), encouraging your body's natural elimination rhythm. It is designed to be effective yet gentle enough for short-term support.

### Non-Habit Forming Formula

A clean and safe solution for occasional irregularity. Our multi-action blend is crafted to restore balance without causing dependency, making it a trustworthy choice for modern lifestyle-related digestive issues.

### Comprehensive Gut Harmony

By combining active laxatives with soothing botanical extracts and minerals, SennaPro Lax doesn't just treat the symptom; it provides a holistic approach to gut comfort and overall wellness.

# MOVALAX

24 Tablets

Effective, natural  
constipation relief

Move Naturally, Feel Lighter.

## Product Specifications

<b>Target Group</b>	: Adults aged 12+ experiencing occasional constipation or digestive sluggishness due to lifestyle or dietary factors.
<b>Dosage Form</b>	: Wellvalens Movalax comes in the form of 24 Tablets
<b>Recommended Usage</b>	: Take 1 tablet per day with a full glass (200 ml) of water. Do not exceed the recommended dose. Not for use beyond 15 consecutive days.
<b>Active Ingredients</b>	: Magnesium 250 mg, Senna Extract 100 mg
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C Keep away from children's reach

## Key Features

### Balanced and Effective Bowel Support

Movalax supports bowel movements through the synergistic effect of magnesium and senna extract. It contributes to a more comfortable digestive process, particularly for individuals with irregular bowel habits.

### Soothing Effect with 250 mg of Magnesium

Magnesium helps soften stools by promoting water retention in the intestines. This makes bowel movements more comfortable and may reduce the sensation of straining.

### Natural Movement with 100 mg Senna Extract

Senna stimulates intestinal muscles to support peristaltic movements. This plant-based effect may help restore bowel movement in cases of occasional constipation.

### Nighttime Use, Morning Comfort

When taken in the evening, it may support more regular and comfortable bowel movements the next day. It easily fits into your daily routine.

### Simple and Targeted Formula

Each tablet contains only the necessary active ingredients: 250 mg of magnesium and 100 mg of senna extract. It offers a functional formulation free from unnecessary additives.

### Balance of Botanical and Mineral Support

Thanks to the balanced combination of mineral (magnesium) and botanical (senna) ingredients, it supports the digestive system through both mechanical and natural means.

### Contribution to Daily Digestive Comfort

With regular use, it may help balance bowel habits and support daily quality of life.

# RELIEF GUARD

## Liquid

**'Guard Your Stomach, Enjoy Your Day.'**

### Product Specifications

<b>Target Group</b>	: Adults
<b>Dosage Form</b>	: ReliefGuard Antacid Liquid comes in the form of 200ml
<b>Recommended Usage</b>	: It is recommended for adults and children over 11 years of age to consume 2 scoops (20 ml) per day.
<b>Active Ingredients</b>	: Sodium Bicarbonate 68,5 mg, Magnesium Carbonate 125 mg
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C. Keep away from children's reach

# Key Features & Benefits

## Advanced Dual-Action Neutralizer

A sophisticated blend of Magnesium Carbonate and Sodium Bicarbonate that works in two phases. Sodium Bicarbonate provides an immediate "flash" neutralization of excess acid, while Magnesium Carbonate offers a sustained buffering effect for longer-lasting comfort.

## Rapid Liquid Relief

The liquid suspension formula starts working the moment it's swallowed. Unlike tablets that need time to dissolve, Relief Guard coats the esophageal and gastric lining instantly, providing faster soothing for heartburn and indigestion.

## Stomach pH Balancing

Actively regulates the gastric environment by neutralizing the "acid fire." This helps prevent the burning sensation of acid reflux and protects the sensitive tissues of the digestive tract from irritation.

## The Peppermint Refreshment

Infused with a crisp, natural peppermint flavor. It doesn't just neutralize acid; it leaves your palate feeling refreshed and helps settle the stomach after heavy or spicy meals.

## Electrolyte & Neuromuscular Support

Beyond digestion, the essential minerals (Magnesium and Sodium) contribute to maintaining your body's electrolyte balance, supporting healthy muscle relaxation and nerve signaling.

## Anti-Bloat & Gas Relief

Helps alleviate the pressure and "heaviness" associated with acid buildup. By stabilizing the stomach's acid-base homeostasis, it reduces the discomfort of bloating and acid-related tension.

## Precision Dosing with Ease

Each 200 ml bottle comes with a convenient measuring cap, ensuring you get the exact dose every time. The smooth liquid texture is easy to swallow, making it the perfect post-meal companion for daily digestive wellness.

★ These key features make it an effective choice for those suffering from acid-related digestive issues.

# RELIEF GUARD

**'Guard Your Stomach, Enjoy Your Day.'**

## Product Specifications

<b>Target Group</b>	: Adults
<b>Dosage Form</b>	: ReliefGuard Antacid Chewable Tablets comes in the form of 24 Chewable Tablets
<b>Recommended Usage</b>	: Adults, chew 1 tablet thoroughly once per day or as needed
<b>Active Ingredients</b>	: Calcium Carbonate 300 mg, Magnesium Carbonate 57 mg
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C. Keep away from children's reach

# Key Features & Benefits

## Fast Relief from Heartburn & Indigestion

**Calcium Carbonate** acts as a fast-acting antacid that neutralizes stomach acid, offering quick relief from heartburn, indigestion, and acid reflux.

## Reduces Stomach Acidity

**Magnesium Carbonate** helps reduce excessive stomach acid, promoting digestive comfort and relieving symptoms like bloating and stomach discomfort.

## Calcium Supplementation

Relieves the burning sensation caused by acid reflux or GERD.

## Soothes the Digestive Tract

By neutralizing stomach acid, the product helps soothe irritation in the digestive tract, preventing discomfort and damage caused by acid

## Portable & Convenient

As a chewable tablet, it is easy to use on the go, making it convenient for quick relief anytime, without the need for water.

★ These key features make it an effective choice for those suffering from acid-related digestive issues.

# PURE & ELEGANT COLLAGEN SHOTS

5500mg

“Unveil Your Beauty”

SHOTS

## Key Features

### Collagen Type I & III

High dosage of hydrolyzed collagen to support skin elasticity, hydration, and overall anti-aging benefits.

### Vitamin C

A powerful antioxidant that supports collagen synthesis, boosts skin brightness, and fights free radicals.

### Vitamin B5

Promotes skin healing and regeneration, supporting skin health.

### Vitamin E

Protects the skin from oxidative damage and promotes skin health.

### Coenzyme Q10

Helps reduce the visible signs of aging by protecting skin cells from damage and supporting energy production.

### Hyaluronic Acid

Helps maintain moisture in the skin, enhancing hydration and reducing the appearance of wrinkles.

### Vitamin B6

Supports protein metabolism, including collagen production, and enhances energy levels.

### Green Tea Extract

Rich in antioxidants, helps reduce inflammation and supports overall skin health.

### Glutathione

A potent antioxidant known for skin brightening and detoxifying properties.

### Biotin

Vital for maintaining healthy hair, skin, and nails.

## Benefits

### Improves Skin Elasticity & Reduces Wrinkles

The combination of collagen, hyaluronic acid, and vitamin C promotes firmer, more youthful skin by enhancing collagen production and hydrating skin layers.

### Boosts Skin Hydration

Hyaluronic acid helps retain moisture in the skin, leading to a smoother, more hydrated appearance.

### Provides Antioxidant Protection

Vitamin C, Selenium, and Coenzyme Q10 protect the skin from oxidative damage caused by free radicals and environmental factors.

### Supports Hair & Nail Health

Biotin and collagen work together to strengthen hair and nails, reducing breakage and promoting growth.

### Promotes Joint Health

Collagen type I & III are essential for maintaining healthy cartilage and reducing joint discomfort, making the product beneficial for joint health.

### Supports Overall Vitality

The inclusion of essential vitamins like B6 and Selenium contributes to overall well-being, boosting energy levels and metabolic functions.

## Product Specifications

<b>Target Group</b>	: Adults
<b>Dosage Form</b>	: Pure & Elegant Collagen Type I-III comes in the form of 15 Shots
<b>Recommended Usage</b>	: Adults: Take 1 shot daily, preferably before bedtime.
<b>Active Ingredients</b>	: Collagen Type I & III 5.500 mg, B6 0,8 mg, Hyaluronic acid 100 mg, Vitamin C 300 mg, Vitamin B 5 3,5 mg, Green Tea Extract 50 mg, Vitamin E 30,44 mg α-TE, Glutathione 7 mg, CO enzyme Q 10 5 mg, Biotin 500 mcg
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C Keep away from children's reach

# PURE & ELEGANT COLLAGEN TYPE I-III

10,000mg

“Unveil Your Beauty”

## Product Specifications

<b>Target Group</b>	: Adults
<b>Dosage Form</b>	: Pure & Elegant Collagen type I-III comes in the form of 30 Sachets
<b>Recommended Usage</b>	: Adults take 1 Sachet once per day with 1 glass (200ml) water as a dietary supplement. Mix well, preferably before bedtime
<b>Active Ingredients</b>	: Collagen Type I & III Hydrolyzed Collagen 10,000 mg, Vitamin B6 2,5 mg, Hyaluronic acid 100 mg, Vitamin C 240 mg, Selenium 55 mcg, CO enzyme Q10 10 mg, Biotin 2500 mcg
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C Keep away from children's reach

## Key Features

### High Collagen Content

Contains 10,000 mg of Hydrolyzed Collagen Type I & III, known for improving skin elasticity and joint support.

SACHETS

### Hydrating Hyaluronic Acid

Includes 100 mg of Hyaluronic Acid, which enhances moisture retention and skin hydration.

### Advanced Skin Care Nutrients

Contains Coenzyme Q10 and Biotin for anti-aging benefits and healthy hair, skin, and nails.

### Comprehensive Beauty Formula

Combines collagen with Biotin, Hyaluronic Acid, Vitamin C, and Coenzyme Q10 to target skin, hair, and nail health.

### Antioxidant Support

Fortified with Vitamin C (240 mg) and Selenium (55 mcg) for antioxidant protection and to support collagen synthesis.

### Convenient Sachet Form

Easy-to-use sachets, designed for daily consumption with a delicious flavor, offering convenience for users

### Nutrient-Rich Formula

Includes essential vitamins and minerals like Vitamin B6, Biotin, and Selenium to support overall health.

## Benefits

### Improves Skin Elasticity & Reduces Wrinkles

The combination of collagen, hyaluronic acid, and vitamin C promotes firmer, more youthful skin by enhancing collagen production and hydrating skin layers.

### Boosts Skin Hydration

Hyaluronic acid helps retain moisture in the skin, leading to a smoother, more hydrated appearance.

### Provides Antioxidant Protection

Vitamin C, Selenium, and Coenzyme Q10 protect the skin from oxidative damage caused by free radicals and environmental factors.

### Supports Hair & Nail Health

Biotin and collagen work together to strengthen hair and nails, reducing breakage and promoting growth.

### Promotes Joint Health

Collagen type I & III are essential for maintaining healthy cartilage and reducing joint discomfort, making the product beneficial for joint health.

### Supports Overall Vitality

The inclusion of essential vitamins like B6 and Selenium contributes to overall well-being, boosting energy levels and metabolic functions.

# COLLAGEN

Type I-II-III

30 TABLET

“Beauty, Mobility, and Vitality – Powered by Type I, II, & III Collagen.”

## Product Specifications

<b>Target Group</b>	: Adults
<b>Dosage Form</b>	: Wellvalens Pure & Elegant Collagen Type 1, 2& 3 comes in the form of 30 Tablets
<b>Recommended Usage</b>	: 1 tablet per day
<b>Active Ingredients</b>	: Hydrolyzed Collagen Type I-III 950 mg, Hydrolyzed Collagen Type II 50 mg, Vitamin C 80 mg, Hyaluronic Acid 50 mg, Zinc 5 mg, Vitamin B6 (Pyridoxine) 2.5 mg, Biotin (Vitamin B7) 150 µg, Selenium 55 µg.
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C. Keep away from children's reach.

## Key Features

### Multi-Collagen Complex (Types I, II, and III)

Contains a blend of Collagen Types I, II, and III to support skin, joint, and connective tissue health. Hydrolyzed for better absorption and bioavailability.

### Vitamin C

Essential for collagen synthesis, enhances collagen absorption, and provides antioxidant protection for skin and tissues.

### Hyaluronic Acid

Known for its powerful hydration properties, it helps maintain skin elasticity and promotes joint lubrication.

### Zinc

Supports skin healing and regeneration, contributing to clearer, healthier skin.

### Vitamin B6

Aids in protein metabolism, energy production, and skin health.

### Biotin

Essential for hair, skin, and nail health, promoting growth and strength.

### Selenium

Provides antioxidant support, helping to protect cells from oxidative damage.

TABLET

## Benefits

### Skin Health & Anti-Aging

Collagen Types I and III help improve skin elasticity, reduce the appearance of wrinkles, and promote a more youthful complexion. Hyaluronic acid enhances skin hydration, giving it a plump and smooth appearance.

### Joint and Bone Support

Collagen Type II is crucial for joint cartilage health, reducing stiffness, pain, and improving mobility. Hyaluronic acid and collagen work together to promote joint lubrication and flexibility.

### Hair, Skin & Nail Vitality

Biotin, along with collagen, supports stronger hair, healthier skin, and nails, improving their overall texture and growth.

### Overall Tissue Health

The synergistic combination of collagen, vitamins, and minerals contributes to the health of connective tissues, bones, muscles, and joints.

### Enhanced Collagen Production

Vitamin C plays a key role in the natural production of collagen in the body, while zinc and selenium further support skin healing and antioxidant protection.

# PURE COLLAGEN

## VitAlif JELLY

“Unveil Your Beauty”

## Product Specifications

<b>Target Group</b>	: Adults
<b>Dosage Form</b>	: Ready-to-eat collagen jelly (65 Servings)
<b>Recommended Usage</b>	: 1 spoonful (approx. 22 g) per day
<b>Active Ingredients</b>	: Hydrolyzed Collagen (Type I, II, III) – 9000 mg / 100 g
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: Store in a cool, dry place away from direct sunlight. Keep refrigerated after opening. Consume within 30 days.

# Key Features

## Multi-Type Hydrolyzed Collagen Complex (Type I, II, III)

Formulated with hydrolyzed collagen types I, II, and III to support skin structure, joint function, and connective tissue integrity. The multi-type profile delivers comprehensive structural support for daily wellness.

## Skin Elasticity and Firmness Support

Collagen plays a key role in maintaining skin elasticity and structural resilience. Regular supplementation helps support smoother, firmer-looking skin as part of a balanced beauty routine.

## Joint Flexibility and Connective Tissue Health

Collagen is an essential structural component of cartilage and connective tissues. This formulation supports joint flexibility and overall mobility as part of an active lifestyle.

## Support Against Age-Related Collagen Decline

Natural collagen production decreases over time. VitAlif Collagen Jelly provides daily collagen support to help maintain structural balance and overall vitality.

## Hair, Skin & Nail Wellness Support

Collagen contributes to the structural foundation of skin, hair, and nails, supporting overall beauty from within.

## Delicious Red Berries Flavor – Easy Daily Use

Designed in a convenient jelly format with a pleasant red berry flavor, making daily supplementation enjoyable and effortless.

# Benefits

## Improves Skin Elasticity & Reduces Wrinkles

The combination of collagen, hyaluronic acid, and vitamin C promotes firmer, more youthful skin by enhancing collagen production and hydrating skin layers.

## Supports Hair & Nail Health

Biotin and collagen work together to strengthen hair and nails, reducing breakage and promoting growth.

## Boosts Skin Hydration

Hyaluronic acid helps retain moisture in the skin, leading to a smoother, more hydrated appearance.

## Promotes Joint Health

Collagen type I & III are essential for maintaining healthy cartilage and reducing joint discomfort, making the product beneficial for joint health.

## Provides Antioxidant Protection

Vitamin C, Selenium, and Coenzyme Q10 protect the skin from oxidative damage caused by free radicals and environmental factors.

## Supports Overall Vitality

The inclusion of essential vitamins like B6 and Selenium contributes to overall well-being, boosting energy levels and metabolic functions.

# PURE COLLAGEN

## VitAlif JELLY

Green Apple  
Flavour

“Unveil Your Beauty”

## Product Specifications

<b>Target Group</b>	: Adults
<b>Dosage Form</b>	: Ready-to-eat collagen jelly (65 Servings)
<b>Recommended Usage</b>	: 1 spoonful (approx. 22 g) per day
<b>Active Ingredients</b>	: Hydrolyzed Collagen (Type I, II, III) – 9000 mg / 100 g
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: Store in a cool, dry place away from direct sunlight. Keep refrigerated after opening. Consume within 30 days.

# Key Features

## The Triple-Type Advantage (I, II & III)

Why settle for one when you can have three? By combining Bovine (Type I & III) and Chicken (Type II) collagen, Vitalif provides a 360-degree approach—targeting your skin's radiance and your joints' mobility in one single bite.

## The Jelly Revolution: No Water, No Mess

Forget the hassle of mixing powders or swallowing oversized capsules. Our innovative jelly format is designed for the modern lifestyle. It's portable, mess-free, and turns your daily supplement into a refreshing treat.

## Crisp Green Apple Sensation

Indulge your palate with the tart and vibrant flavor of green apple. We've mastered the balance of taste and nutrition, ensuring a pleasant mouthfeel without the typical "collagen aftertaste."

## Joint Flexibility & Cartilage Care

Specifically formulated with Type II collagen to feed your cartilage. It's the perfect support for active individuals looking to maintain smooth joint movement and long-term skeletal health.

## Dermal Elasticity & Structural Support

Combat the natural decline of collagen. This high-bioavailability formula works to restore skin hydration, reduce the appearance of fine lines, and support the structural integrity of your bones and hair.

## Guilt-Free Formulation

Beauty and health shouldn't come with hidden sugars. Vitalif Jelly is a clean-label supplement with no added sugars, acid-balanced for stability, and crafted with premium ingredients for maximum efficacy.

## 65 Servings of Vitality

With a generous 65 servings per container, Vitalif offers an enduring commitment to your wellness journey. It's not just a quick fix; it's a sustainable daily boost for long-term aging well.

# Benefits

## Improves Skin Elasticity & Reduces Wrinkles

The combination of collagen, hyaluronic acid, and vitamin C promotes firmer, more youthful skin by enhancing collagen production and hydrating skin layers.

## Supports Hair & Nail Health

Biotin and collagen work together to strengthen hair and nails, reducing breakage and promoting growth.

## Boosts Skin Hydration

Hyaluronic acid helps retain moisture in the skin, leading to a smoother, more hydrated appearance.

## Promotes Joint Health

Collagen type I & III are essential for maintaining healthy cartilage and reducing joint discomfort, making the product beneficial for joint health.

## Provides Antioxidant Protection

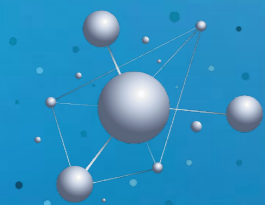

Vitamin C, Selenium, and Coenzyme Q10 protect the skin from oxidative damage caused by free radicals and environmental factors.

## Supports Overall Vitality

The inclusion of essential vitamins like B6 and Selenium contributes to overall well-being, boosting energy levels and metabolic functions.

# GLUTA-C

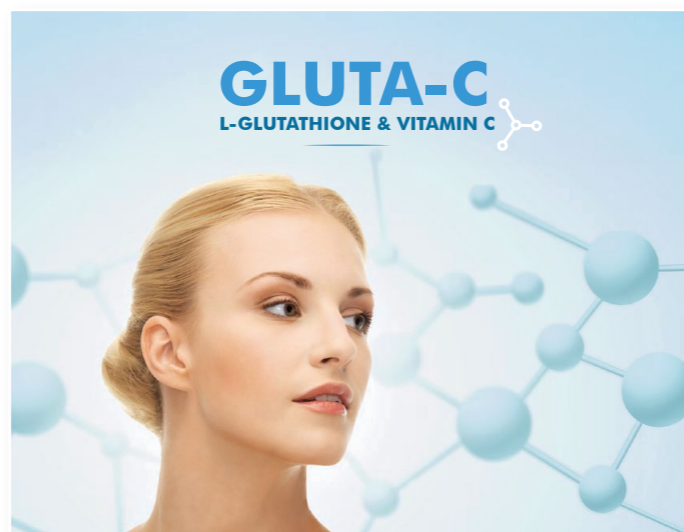

L-GLUTATHIONE & VITAMIN C

BOOST IMMUNITY, GLOW SKIN

"Bright Skin, Strong Body"

## Product Specifications

<b>Target Group</b>	: Adults
<b>Dosage Form</b>	: Wellvalens Gluta-C comes in the form of 30 Capsules
<b>Recommended Usage</b>	: 1 Capsule Per Day
<b>Active Ingredients</b>	: Vitamin C (Sodium Ascorbate) 100 MG Glutathione 500 MG
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C. Keep away from children's reach.

# Key Features & Benefits

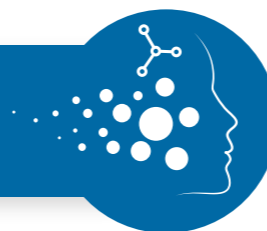

## High-Potency Glutathione

A powerful antioxidant that supports cellular health and detoxification.

## Skin Health

Helps improve skin brightness, reduce pigmentation, and support overall skin radiance.

## Sodium Ascorbate

Non-acidic form of Vitamin C that boosts immunity, Collagen production, and skin health.

## Antioxidant Protection

Protects cells from oxidative stress and free radical damage, promoting overall wellness.

## Dual Antioxidant Support

Combines the benefits of Glutathione and Vitamin C to enhance free radical neutralization.

## Immune Boost

Strengthens the immune system, helping the body fend off infections and illnesses.

## Skin Brightening

Known for promoting a brighter, more even skin tone by reducing the appearance of hyperpigmentation.

## Collagen Production

Vitamin C plays a vital role in collagen synthesis, which supports healthy skin, hair, and nails.

## Detoxification Aid

Supports liver detoxification and helps remove toxins from the body.

## Detoxification

Assists in detoxifying the liver and removing harmful substances from the body.

## Immune System Support

Enhances immune function by boosting the body's natural defenses.

## Energy and Vitality

By reducing oxidative damage, it helps promote sustained energy and reduces fatigue.

## Non-Acidic Vitamin C

Gentle on the stomach, making it suitable for individuals with sensitive digestive systems.

## Supports Eye Health

Vitamin C and antioxidants may support eye health by reducing the risk of oxidative damage to the eyes.

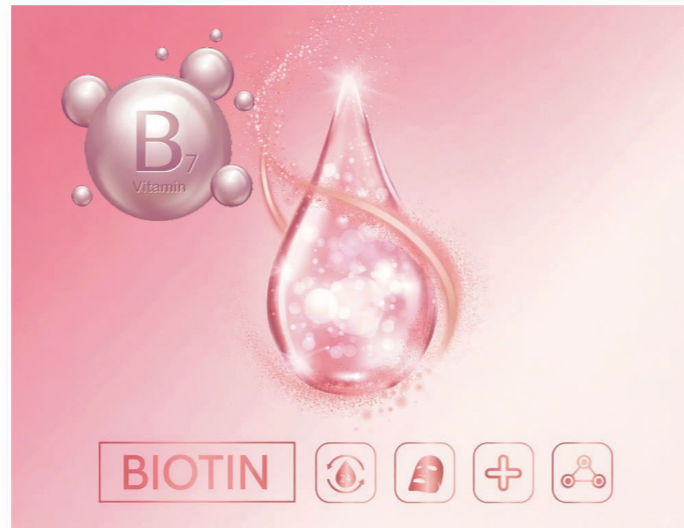

# BIOTIN

<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C Keep away from children's reach.

# Key Features & Benefits

## The 10,000 µg Powerhouse

Elevate your daily routine with a high-potency 10 mg dose of Biotin. Designed for those seeking visible results, this ultra-strength formula provides the essential coenzymes required to fuel your cellular transformation.

## Structural Integrity: Hair & Keratin Synthesis

Biotin is the fundamental building block of keratin production. By strengthening the hair shaft from within, it promotes thicker, more resilient strands and revitalizes dormant follicles for a fuller, head-turning look.

## Skin Vitality & Lipid Balance

Beyond surface-level glow, Biotin supports the production of essential fatty acids that nourish the skin barrier. Experience smoother, clearer skin that reflects deep hydration and metabolic health.

## Fortified Nail Strength

Say goodbye to brittleness. Our concentrated formula works to increase nail thickness and reduce splitting, ensuring your hands reflect the same strength and confidence as your personality.

## Metabolic Catalyst

Biotin isn't just about aesthetics; it's an engine for your metabolism. It plays a vital role in converting carbohydrates, fats, and proteins into sustained energy, keeping your body's internal motor running at peak performance.

## Cognitive & Neurological Support

Fuel your focus. As a vital B-vitamin, Biotin supports neurological health and nerve signaling, contributing to better cognitive clarity and overall well-being.

## Universal Beauty Redefined

Crafted for both men and women, Wellvalens Biotin (120 Tablets) offers 4 months of pure excellence. Whether you're reclaiming hair density or seeking a radiant complexion, this is your ultimate tool for self-expression.

# E-VITA TOCO MAX

30 SOFTGEL

VITAMIN-E

**"Energize Your Health, Unveil Your Beauty."**

## Product Specifications

<b>Target Group</b>	: Adults
<b>Dosage Form</b>	: WELLVALENS E- VITA TOCO MAX comes in the form of 30 Softgel Capsules.
<b>Recommended Usage</b>	: Adults take 1 capsule once per day with 1 glass (200ml) water as a dietary supplement.
<b>Active Ingredients</b>	: Vitamin E ( D-alpha Tocopherol ) 400 IU ( 363,63 mg α-TE)
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C Keep away from children's reach

## Key Features & Benefits

### High-Potency Vitamin E

Each capsule provides 100 mg of Vitamin E Acetate, which is a stable and bioavailable form of Vitamin E.

### Antioxidant Protection

Vitamin E is well-known for its strong antioxidant properties, helping to protect cells from oxidative stress and free radical damage.

### Supports Skin Health

Vitamin E promotes healthy, glowing skin by enhancing hydration and protecting against environmental damage.

### Immune System Support

It helps in strengthening the immune system, making the body more resilient to infections and diseases.

### Cardiovascular Health

Vitamin E contributes to maintaining heart health by supporting the integrity of cell membranes and preventing the oxidation of LDL cholesterol.

### General Wellbeing

Vitamin E plays a role in various physiological functions, including maintaining eye health and improving cognitive function.

## Benefits

### Cellular Protection

Shields cells from damage caused by free radicals, reducing the risk of chronic diseases.

### Skin Nourishment

Promotes skin repair and hydration, making it useful for individuals with dry or damaged skin.

### Heart Health

Helps to protect the heart and blood vessels by preventing the oxidation of bad cholesterol, reducing the risk of atherosclerosis.

### Immune Enhancement

: Bolsters the immune system, aiding in quicker recovery from illnesses and infections.

### Eye and Brain Health

Protects the delicate tissues of the eyes and may help in maintaining cognitive function as you age.

# E-VITA TOCO

30 & 90 Capsules

VITAMIN-E

**"Stronger Immunity, Brighter Skin, Healthier You!"**

## Product Specifications

<b>Target Group</b>	: Adults
<b>Dosage Form</b>	: Wellvalens E-Vita Toco Capsules comes in the form of 30 & 90 capsules
<b>Recommended Usage</b>	: Adults take 1 capsule once per day with 1 glass (200ml) water as a dietary supplement.
<b>Active Ingredients</b>	: Vitamin E Acetate 100 mg α- TE
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C Keep away from children's reach

# Key Features & Benefits

## Cellular Protection Shield

E-Vita Toco helps protect cells against oxidative stress through the antioxidant properties of Vitamin E. By supporting the stability of cell membranes, it contributes to the preservation of cellular integrity and reinforces the body's natural defense mechanisms.

## Inner-Driven Skin Resilience and Vitality

Vitamin E supports the maintenance of the skin's lipid barrier. This inside-out approach helps the skin remain resilient against environmental factors and contributes to the preservation of a healthy, balanced skin appearance.

## Stability Advantage of the Acetate Form

The DL-alpha-tocopheryl acetate form is designed for enhanced stability against oxidation. This helps preserve the integrity of Vitamin E throughout the product's shelf life, ensuring consistent quality and reliable support with every use.

## Support Against Lipid Oxidation

Vitamin E contributes to the protection of fats from oxidative damage within the body. This function plays an important role in maintaining cellular structures and supporting overall metabolic balance.

## Daily Defense Against Oxidative Load

Modern lifestyles can increase exposure to oxidative stress through environmental factors and daily habits. E-Vita Toco provides a concentrated source of Vitamin E to help support cellular balance as part of a daily wellness routine.

## Long-Term Wellness Support

By contributing to the protection of cells from oxidative stress, Vitamin E supports the sustainability of the body's essential functions. With regular use, it fits naturally into a long-term, balanced approach to overall well-being.

## Contribution to Metabolic Processes

Vitamin E helps protect Vitamin A and polyunsaturated fatty acids from oxidation. This supportive role contributes to the proper functioning of metabolic processes and efficient utilization of essential nutrients.

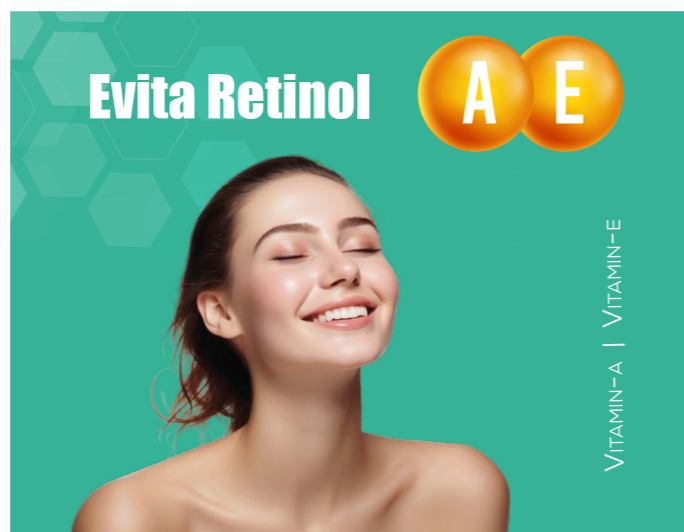

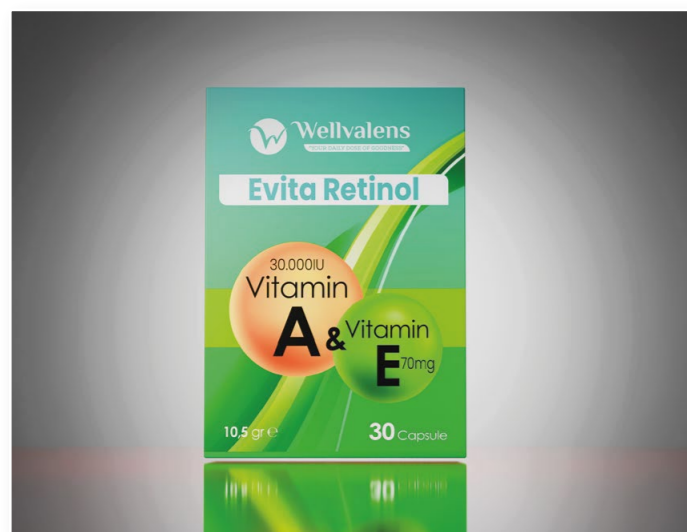

# EVITA RETINOL

**30 & 60 Capsule**

**30.000IU**

**“Care for Your Skin from Within “**

## Product Specifications

<b>Target Group</b>	: Adults
<b>Dosage Form</b>	: Wellvalens Evita Retinol comes in form of 30 & 60 capsules per pack.
<b>Recommended Usage</b>	: 1 capsule per day
<b>Active Ingredients</b>	: Vitamin A 30000 IU, Vitamin E 70 mg
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C. Keep away from children's reach.

# Key Features & Benefits

## High-Potency Vitamin A Support

Evita Retinol 30,000 IU delivers a concentrated dose of Vitamin A designed for structured nutritional support. This elevated formulation supports essential physiological functions where enhanced Vitamin A intake may be required.

## Advanced Vision Function Support

Vitamin A contributes to the maintenance of normal vision and plays a fundamental role in retinal function. It supports visual adaptation, particularly under low-light conditions, helping maintain balanced visual performance.

## Immune System Contribution

Vitamin A contributes to the normal functioning of the immune system. With its high-strength profile, this formulation supports the body's natural defense mechanisms as part of a balanced nutritional strategy.

## Cellular Differentiation and Skin Integrity

Vitamin A plays an essential role in normal cellular differentiation. This function supports the maintenance of healthy skin structure and contributes to balanced cellular renewal processes.

## Bone Metabolism Support

Vitamin A is involved in the regulation of normal bone metabolism and structural maintenance, contributing to skeletal balance and ongoing remodeling processes.

## Structured High-Dose Nutritional Approach

With its elevated potency, the 30,000 IU formulation is positioned for focused supplementation within a structured wellness plan, offering professional-grade Vitamin A support.

**Evita Retinol 30.000IU**

VITAMIN

60 Capsule

1000 IU

“Support Your Skin from Within”

## Product Specifications

<b>Target Group</b>	: Women and Men
<b>Dosage Form</b>	: Wellvalens Evita Retinol comes in form of 60 capsules per pack.
<b>Recommended Usage</b>	: 1 capsule per day
<b>Active Ingredients</b>	: Vitamin A 1000 IU, Vitamin E 70 mg
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C. Keep away from children's reach.

## Key Features & Benefits

### Advanced Daily Vitamin A Support

Evita Retinol 1000 IU delivers a balanced and effective dose of Vitamin A designed for consistent daily supplementation. It supports essential physiological functions while fitting seamlessly into a long-term wellness routine.

### Vision and Visual Adaptation Support

Vitamin A contributes to the maintenance of normal vision and supports visual adaptation, particularly in low-light conditions. This formulation helps maintain optimal visual performance as part of everyday health.

### Immune System Balance

Vitamin A contributes to the normal functioning of the immune system, supporting the body's natural defense mechanisms and helping maintain immune resilience throughout daily life.

### Skin Renewal and Structural Integrity

Vitamin A plays an important role in normal cellular differentiation, supporting healthy skin structure and natural renewal processes. This daily-strength formula promotes balanced skin maintenance from within.

### Bone and Metabolic Function Support

Vitamin A contributes to normal bone metabolism and supports essential metabolic processes, helping maintain structural balance and physiological stability.

### Everyday Wellness and Long-Term Vitality

With its carefully calibrated 1000 IU dosage, this formulation is designed for regular use as part of a proactive wellness strategy. It supports foundational health functions while maintaining balance and sustainability.

# MAGNESIUM COMPLEX

Gentle herbal laxative with magnesium support

Daily Support for Energy and Relaxation.

## Product Specifications

<b>Target Group</b>	: Adults
<b>Dosage Form</b>	: Wellvalens Magnesium Complex comes in form of 30 Tablets
<b>Recommended Usage</b>	: Adults take 1 tablet once daily with a full glass (200 ml) of water, on a full stomach
<b>Active Ingredients</b>	: Magnesium Citrate 631.19 mg (providing 101 mg of elemental Magnesium), Magnesium Malate 327.97 mg (providing 49 mg of elemental Magnesium), Magnesium Bisglycinate 361.80 mg (providing 51 mg of elemental Magnesium)
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: Store in a cool, dry place below 25°C. Keep away from heat and moisture. Not recommended during pregnancy or breastfeeding. Consult a healthcare professional if you have a medical condition or are taking medication.

# Key Features & Benefits

## The Triple-Phase Absorption Matrix

Not all magnesium is created equal. Our complex combines Citrate, Malate, and Bisglycinate to ensure maximum bioavailability, ensuring that every milligram is absorbed and utilized where your body needs it most.

## Deep Muscle Recovery (Magnesium Citrate)

Expertly formulated to trigger muscle relaxation and relieve tension. Its high solubility makes it the perfect choice for preventing nighttime leg cramps and supporting overall digestive regularity.

## ATP Energy Ignition (Magnesium Malate)

Fuel your cellular engine. The Malic Acid bond plays a critical role in the Krebs cycle (energy production), making this form essential for combating chronic fatigue and boosting physical endurance.

## Neurological Calm & Sleep Quality (Magnesium Bisglycinate)

The "gentle" magnesium. Chelated with Glycine, this form crosses the blood-brain barrier more effectively to soothe the nervous system, reduce cortisol levels, and promote a deeper, restorative sleep without digestive upset.

## Structural & Cardiovascular Integrity

Beyond relaxation, this synergistic blend supports bone density by regulating calcium transport and maintains a healthy heart rhythm, protecting your most vital organ from the stresses of daily life.

## Cognitive Clarity & Stress Resilience

By optimizing nerve signaling and neurotransmitter balance, our complex helps clear "brain fog" and enhances your ability to remain calm and focused under high-pressure environments.

## Chelated for Maximum Tolerance

We've selected forms that are famously gentle on the stomach. Say goodbye to the digestive discomfort often associated with low-quality magnesium oxides, and experience pure, high-potency mineral support.

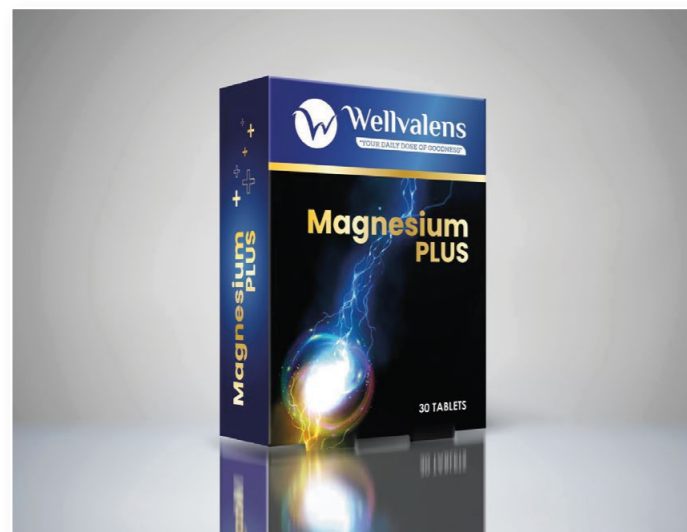

# MAGNESIUM PLUS

A perfect blend of mineral support and herbal relief for your most active days.

## Complete Magnesium Support for Active Days.

### Product Specifications

<b>Target Group</b>	: Adults with active lifestyles, athletes, and individuals seeking to reduce fatigue and improve muscle recovery.
<b>Dosage Form</b>	: Wellvalens Magnesium Plus comes in form of 30 Tablets
<b>Recommended Usage</b>	: 3 tablet daily with 200 ml of water or as advised by a healthcare professional.
<b>Active Ingredients</b>	: Magnesium – 250 mg, Vitamin B6 – 1.3 mg, Vitamin D3 – 6 µg (240 IU), Vitamin B12 – 1.14 µg
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: Store in a cool, dry place below 25°C. Keep out of reach of children.

# Key Features & Benefits

## The "Plus" Advantage: 4-in-1 Synergy

More than just a mineral supplement. Magnesium Plus combines the muscle-relaxing power of Magnesium with a strategic blend of Vitamins B6, B12, and D3 to create a comprehensive metabolic support system.

## Precision Dosage Control (3-Tablet Daily Support)

Designed for a flexible 3-tablet daily regimen, ensuring a steady and continuous supply of nutrients. This method allows for superior absorption and consistent bioavailability compared to single high-dose tablets.

## Active Muscle Recovery & Relaxation

Providing 250 mg of Magnesium per daily serving, this formula targets muscle tension and prevents nighttime cramps. It's the essential tool for athletes and active individuals to maintain electrolyte balance.

## Energy Spark & Fatigue Defense (B6 + B12)

Stop feeling drained. The combination of B6 and B12 vitamins fuels your energy metabolism, helping to reduce tiredness and mental exhaustion while keeping your focus sharp during high-pressure days.

## Bone Density & Calcium Transport (Vitamin D3)

Infused with Vitamin D3 to bridge the gap for indoor lifestyles. It ensures optimal calcium absorption and bone health, while also providing a daily boost to your immune system's natural defenses.

## Neurological Balance & Calm

Magnesium and Vitamin B12 work in tandem to support healthy nerve function and psychological well-being. This duo helps stabilize your nervous system, promoting a sense of calm and better resilience to stress.

## Metabolic Efficiency & Hormonal Support

The inclusion of Vitamin B6 enhances protein metabolism and helps regulate hormonal activity, ensuring your body's internal systems work in perfect harmony with your lifestyle.

**CARNIZINC**

**L-CARNITINE**  
Food Supplement

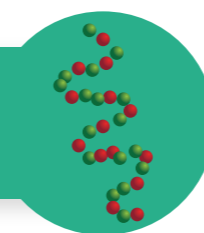

**“Promoting fertility and reproductive function”**

# Key Features & Benefits

## Power-Packed Formula

Wellvalens Carnizinc combines the strength of L-Carnitine (1000 mg) and Zinc Gluconate (50 mg) in each tablet. This carefully formulated blend is designed to optimize your performance and help you reach new heights.

## Boost Energy and Endurance

L-Carnitine is a powerhouse ingredient that supports energy production and metabolism. It helps convert fats into fuel, giving you the energy and stamina to conquer your workouts and daily challenges.

## Enhance Recovery and Muscle Function

L-Carnitine also plays a role in muscle recovery, helping to reduce exercise-induced muscle damage and improve post-workout repair. It supports muscle function, allowing you to bounce back stronger.

## Enhance Male Fertility

For male infertility due to Oligo-asthenozoospermia, Carnizinc plays a vital role in supporting sperm health and mobility. It acts as a cellular energy booster, enhancing the movement and function of sperm cells.

## Product Specifications

<b>Target Group</b>	: Adults
<b>Dosage Form</b>	: Wellvalens Carnizinc comes in form of 30 tablets per pack.
<b>Recommended Usage</b>	: 1 tablet per day
<b>Active Ingredients</b>	: L-Carnitine 1000 mg, Zinc Gluconate 50 mg (7.17 mg elemental zinc)
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C. Keep away from children's reach.

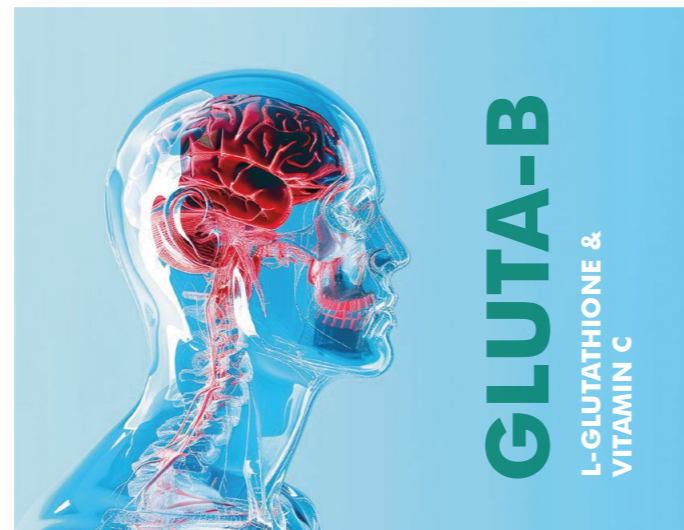

# GLUTA-B

L-GLUTATHIONE &  
VITAMIN C

"Energize Your Mind, Strengthen Your Body."

## Product Specifications

<b>Target Group</b>	: Adults
<b>Dosage Form</b>	: Wellvalens Gluta-B comes in form of 30 Tablets
<b>Recommended Usage</b>	: 1 tablet per day or as physician advise
<b>Active Ingredients</b>	: L-Glutamic Acid 500 mg, Thiamine HCl (Vitamin B1) 100 mg, Pyridoxine HCl (Vitamin B6) 50 mg, Cyanocobalamine (Vitamin B12) 100 µg.
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C. Keep away from children's reach.

## Key Features & Benefits

Wellvalens Gluta-B is a supplement designed to support overall wellness, with a focus on brain function, energy metabolism, and nervous system health.

### L-Glutamic Acid

An amino acid that plays a critical role in brain health and neurotransmitter function. Helps in muscle recovery and immune system support.

### Thiamine Hydrochloride (Vitamin B1)

Vital for energy production and carbohydrate metabolism. Supports heart, muscle, and nerve functions.

### Pyridoxine Hydrochloride (Vitamin B6)

Involved in protein metabolism and the production of neurotransmitters like serotonin. Supports immune function and red blood cell production.

### Cyanocobalamin (Vitamin B12)

Essential for red blood cell formation and the maintenance of a healthy nervous system. Helps in energy production and DNA synthesis.

### Cognitive Function

The combination of L-Glutamic Acid and B vitamins supports brain health, improves focus, and may help enhance memory.

### Nervous System Health

Vitamins B1, B6, and B12 play crucial roles in maintaining the nervous system, reducing the risk of nerve damage, and improving mood stability.

### Energy and Metabolism

Supports the body's ability to convert food into energy, helping to reduce fatigue and boost physical endurance.

### Muscle Recovery

L-Glutamic Acid helps in muscle recovery after exercise or injury, making it beneficial for active individuals.

### Immune Support

The B vitamins and L-Glutamic Acid contribute to a stronger immune system, promoting overall wellness.

★ This product is ideal for individuals looking to support their cognitive function, boost energy levels, improve muscle recovery and maintain a healthy nervous system.

# C&B Vitamin Complex

**30 & 60 Capsules**

**“Unlock the gate to Peak Wellness and Vibrant Health!”**

## Key Features & Benefits

### Try the Strength of Our Advanced Blend

Wellvalens Vitamin C & B Complex combines the power of multiple essential vitamins in one comprehensive formula. Each capsule contains active ingredients, including Vitamin C (100 mg), Vitamin B1 (1.5 mg), Vitamin B2 (1.7 mg), Vitamin B3 (20 mg), Vitamin B5 (10 mg), Vitamin B6 (10 mg), Vitamin B7 / Biotin (300 mcg), Vitamin B9 (1000 mcg), and Vitamin B12 (6 mcg), providing a complete spectrum of B vitamins along with the immune-boosting benefits of Vitamin C.

**C&B  
COMPLEX**

### Amplify Your Energy

Fuel your body with the energy it craves. Wellvalens Vitamin C & B Complex delivers a potent combination of B vitamins known for their role in converting food into energy, supporting optimal vitality and endurance throughout the day.

### Immune System Boost

Fortify your immune defenses with the added support of Vitamin C. Wellvalens Vitamin C & B Complex bolsters your body's natural immune response, helping to ward off common illnesses and keep you feeling your best.

### Elevate Your Mind

Enhance your cognitive function and mental clarity with Wellvalens Vitamin C & B Complex. The B vitamins in this formula play a crucial role in supporting brain health, memory retention, and focus, empowering you to perform at your peak.

### Restore Your Body

Wellvalens Vitamin C & B Complex nourishes your body from within. The combination of B vitamins promotes healthy skin, hair, and nails, while also aiding in the production of red blood cells, promoting cardiovascular wellness, and supporting overall vitality.

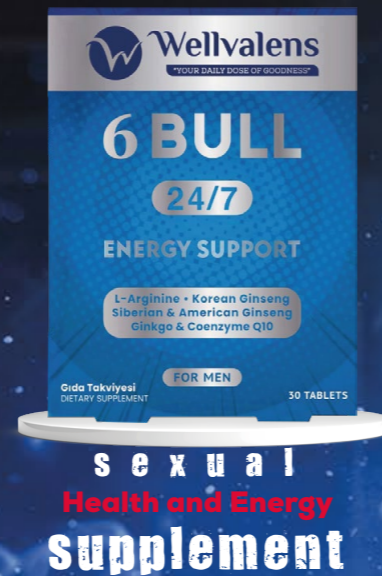

## Product Specifications

**"Energize Your Day, Support Your Nerves."**

# Key Features & Benefits

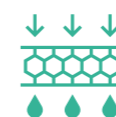

## High-Dosage B Vitamins

Contains potent levels of essential B vitamins to support overall health and energy.

## Synergistic Formula

Combines three critical B vitamins, each with its own unique benefits for nerve function, metabolism, and overall energy production.

## Easy Absorption

The formulation of Thiamine, Pyridoxine, and Cyanocobalamin ensures efficient absorption and bioavailability.

## Supports Nervous System

Designed to promote healthy nerve function and reduce fatigue.

## Energy Production

Vitamin B1, B6, and B12 are essential for converting food into energy, helping reduce tiredness and fatigue.

### Vitamin B1 (Thiamine):

Plays a vital role in the conversion of carbohydrates into energy and supports brain and nervous system health.

### Vitamin B6 (Pyridoxine):

Helps in amino acid metabolism and the production of neurotransmitters, which are crucial for mood regulation and brain function.

### Vitamin B12 (Cyanocobalamin):

Vital for red blood cell production, DNA synthesis, and maintaining energy levels.

## Daily Support for Vitality

Helps in maintaining energy levels, mental clarity, and overall well-being.

## Nervous System Support

B vitamins, particularly B1, B6, and B12, are critical for the maintenance of the nervous system, aiding in proper nerve signal transmission and preventing nerve-related disorders.

## Cognitive Function

These vitamins support cognitive health by contributing to better concentration, memory, and mental sharpness.

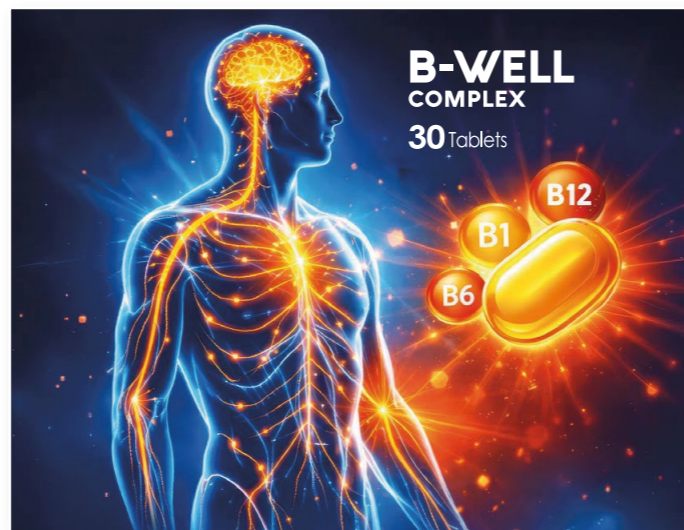

## Red Blood Cell Formation

Vitamin B12 is essential for healthy red blood cell production, which ensures adequate oxygen transport throughout the body, promoting overall vitality and reducing anemia risk.

## Heart Health

Helps maintain cardiovascular health by regulating homocysteine levels (an amino acid linked to heart disease when elevated), especially with B6 and B12.

## Product Specifications

## Key Features

### Omega 3 (EPA: 180 mg, DHA: 120 mg)

Omega 3 fatty acids are essential fats that your body cannot produce on its own, making supplementation important.

## Benefits

### Heart Health

EPA and DHA are known to support cardiovascular health by helping to maintain normal blood pressure, cholesterol levels, and reducing inflammation.

### Brain Function

DHA is vital for brain function and may help improve cognitive performance and memory.

### Joint Support

Omega 3 fatty acids help reduce inflammation in the joints, potentially easing symptoms of arthritis and joint pain.

### Eye Health

DHA is an important component of the retina, contributing to better visual health and preventing age-related degeneration.

### Skin Health

Omega 3s help maintain healthy skin by reducing inflammation and protecting against sun damage. Vitamin E enhances skin hydration and elasticity.

### Antioxidant Protection

Vitamin E provides powerful antioxidant protection, neutralizing free radicals that can damage cells and tissues.

★ This combination of Omega 3 and Vitamin E offers comprehensive support for cardiovascular, cognitive, joint, and skin health while providing antioxidant protection.

<b>Active Ingredients</b>	: Magnesium – 150 mg, Vitamin C – 70 mg, Iron – 17 mg, Zinc – 15 mg, Vitamin B3 – 20 mg NE, Beta Carotene (equivalent to Vitamin A 1000 µg RE) – 2 mg, Vitamin B6 – 10 mg, Vitamin E – 5 mg α-TE, Vitamin B5 – 6 mg, Vitamin D3 – 10 µg (400 IU), Vitamin B1 – 3 mg, Vitamin K2 – 70 µg, Copper – 1 mg, Vitamin B2 – 2 mg, Folic Acid – 400 µg, Iodine – 150 µg, Biotin – 150 µg, Selenium – 30 µg, Vitamin B12 – 6 µg.

# Key Features & Benefits

## Folic Acid

Supports fetal brain and spinal cord development, and helps prevent neural tube defects.

## Vitamin B12

Contributes to red blood cell production and supports nervous system health.

## Vitamin B6

Helps reduce morning sickness and supports brain development in the fetus.

## B-Complex Vitamins

Aid energy production and support fetal organ and nervous system development.

## Vitamin C

Boosts immunity and enhances iron absorption for better oxygen transport.

## Vitamin D3

Supports calcium absorption and bone development in both mother and baby.

## Vitamin E

Protects cells from oxidative stress and supports fetal brain growth.

## Vitamin K2

Helps regulate blood clotting and contributes to bone health.

## Biotin

Supports healthy hair, skin, nails, and maternal metabolism.

## Beta-Carotene

Supports fetal vision and immune function as a safe form of vitamin A.

## Iron

Prevents anemia and supports oxygen delivery to mother and baby.

## Zinc

Supports immunity, tissue growth, and fetal development.

## Iodine

Supports cognitive development and maternal thyroid function.

## Selenium

Acts as an antioxidant and supports thyroid function.

## Magnesium

Helps prevent cramps and supports bone and muscle health.

## Copper

Assists in red blood cell formation and cardiovascular development of the fetus.

# WellFOL

## Folic Acid

“WellFol: The Foundation for a Healthy Future”

### Product Specifications

<b>Target Group</b>	: Adult
<b>Dosage Form</b>	: Wellvalens Wellfol Folic Acid tablets comes in the form of 30 Tablets
<b>Recommended Usage</b>	: Adults take 1 tablet once per day with 1 glass (200ml) water as a dietary supplement or as per physician advise
<b>Active Ingredients</b>	: Folic Acid 600 mcg
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C Keep away from children's reach

## Key Features

### High Dose Folic Acid

Each tablet contains 600 mcg of folic acid.

### Convenient Daily Tablet

Easy to incorporate into daily routines.

### Essential B Vitamin

Supports overall health, particularly for women of childbearing age.

## Benefits

### Supports Pregnancy and Fetal Development

Folic acid is crucial for preventing neural tube defects during pregnancy, making this supplement especially beneficial for women planning to conceive or who are pregnant.

### Promotes Heart Health

Folic acid helps regulate homocysteine levels, reducing the risk of heart disease.

### Aids Red Blood Cell Formation

It supports the production of red blood cells, which helps prevent anemia.

### Enhances Brain Function

Folic acid is associated with better cognitive function and may reduce the risk of memory loss or cognitive decline.

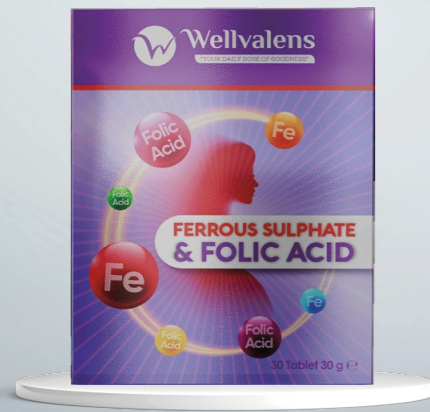

### Boosts DNA Synthesis and Repair

Folic acid plays a key role in synthesizing and repairing DNA, which is essential for cell growth and overall body maintenance.

★ Wellvalens WellFol Folic Acid 1000 mcg Tablets is a supplement designed to provide a concentrated dose of folic acid, a vital B vitamin (B9) essential for various physiological processes.

# FERROUS SULPHATE & FOLIC ACID

**"Healthy Blood, Healthy Life – Iron and Folic Acid Combined."**

## Product Specifications

<b>Target Group</b>	: Adult
<b>Dosage Form</b>	: Wellvalens Ferrous Sulphate & Folic Acid comes in the form of 30 Tablets
<b>Recommended Usage</b>	: Adults take 1 tablet once per day with 1 glass (200ml) water as a dietary supplement or as per physician advise
<b>Active Ingredients</b>	: Iron (ferrous sulfate) 200 mg, Folic Acid 400 mcg
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C Keep away from children's reach

## Key Features & Benefits

### High-Dose Iron Supplement

Each tablet contains 200 mg of Ferrous Sulphate, providing a high-potency source of iron to support red blood cell production and prevent iron deficiency anemia.

### Essential Folic Acid

Includes 400 mcg of Folic Acid, a crucial B-vitamin for supporting healthy red blood cell formation and preventing neural tube defects during pregnancy.

### Dual-Action Formula

Combines the power of iron and folic acid to support overall health, particularly during pregnancy and in individuals with iron deficiencies.

### Supports Prenatal Health

Essential for pregnant women to meet increased iron and folic acid needs, supporting fetal development and preventing anemia during pregnancy.

### Boosts Energy and Reduces Fatigue

Helps combat fatigue and weakness caused by iron deficiency by promoting better oxygen transport in the body.

### Easy-to-Swallow Tablet

Designed in a small, easy-to-swallow tablet for convenient daily supplementation.

### Prevents Iron Deficiency Anemia

Ferrous Sulphate provides a potent source of iron, supporting red blood cell production and preventing anemia, which can cause fatigue, dizziness, and shortness of breath.

### Supports Prenatal Health

Folic Acid is essential for pregnant women to prevent neural tube defects in developing babies and to support overall fetal development.

### Promotes Red Blood Cell Production

Both iron and folic acid are essential for the production of healthy red blood cells, ensuring efficient oxygen delivery throughout the body.

### Supports Women's Health

Helps meet the increased iron and folic acid requirements during menstruation, pregnancy, and breastfeeding, promoting overall reproductive health.

# —RELAX— MOOD BOOSTER

“Embrace Balance and Bliss  
With Wellvalens Relax – Your Daily Mood Booster”

## "Calm Your Mind, Soothe Your Soul."

### Product Specifications

<b>Target Group</b>	: Adults
<b>Dosage Form</b>	: Wellvalens Relax Tablets comes in the form of 30 Tablets
<b>Recommended Usage</b>	: 1 tablet or as needed
<b>Active Ingredients</b>	: Valeriana Extract 50 mg, Passiflora 40 mg, Hawthorn Extract 10 mg, Ballota nigra 10 mg
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C Keep away from children's reach

## Key Features

### Valeriana Extract (50 mg)

Known for its calming properties, Valeriana is often used to reduce anxiety, promote relaxation, and support restful sleep.

### Passiflora (40 mg)

This herb is commonly used to alleviate stress, anxiety, and mild insomnia by calming the nervous system.

### Ballota Nigra (Black Horehound)

A versatile herb known for its calming, anti-nausea, and digestive support properties, ideal for natural stress relief and overall well-being.

### —RELAX— MOOD BOOSTER

### Hawthorn Extract (10 mg)

Known for its cardiovascular benefits, Hawthorn supports heart health and may help reduce tension and anxiety.

## Benefits

### Stress Reduction

The combination of Valeriana and Passiflora helps reduce nervous tension and anxiety.

### Improved Sleep Quality

Valeriana and Passiflora together support better sleep by promoting relaxation without causing drowsiness during the day.

### Heart Health Support

Hawthorn extract aids in promoting cardiovascular well-being, which can be beneficial in stressful situations.

### Enhance Mood

Enhance Mood during women and girls monthly cycle.

### Natural Calming Support

Ballota nigra promotes relaxation and helps alleviate stress for overall mental well-being.

★ These tablets are designed to offer natural support for relaxation, reducing stress and tension in both the body and mind.

# WELLIRON MAX

150 TABLETS  
Ferrous Fumarate

“Revitalize your energy levels and combat fatigue!”

## Product Specifications

<b>Target Group</b>	: Adults
<b>Dosage Form</b>	: Wellvalens Welliron Max comes in form of 150 Tablets.
<b>Recommended Usage</b>	: 1 tablet per day or as physician advise
<b>Active Ingredients</b>	: Iron (Ferrous Fumarate) 65 MG
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C Keep away from children's reach

## Key Features & Benefits

### Embrace an Active Lifestyle

Power up your daily activities with Wellvalens Welliron Max. Each tablet contains 65 mg of active Iron to boost your energy levels and keep you going strong all day long, no matter how busy you are.

### Tailored for Your Vitality

Wellvalens Welliron Max is designed to cater to your unique needs. Whether you're working hard in your career, hitting the gym, or chasing your dreams, this iron supplement provides the extra edge you need to thrive and succeed.

Fe

### Rekindle Your Inner Energy

Elevate your vitality with Wellvalens Welliron Max. This iron formula optimizes oxygen transport throughout your body, revitalizing your cells, energizing your muscles, and reigniting your inner spark of youthful vigor.

### Sharpen Your Mind, Embrace the Future

Stay mentally sharp and focused with Wellvalens Welliron Max. Its iron-rich formula supports brain function and cognitive performance, empowering you to excel in your studies, work, and personal pursuits. Seize every opportunity with confidence.

### Support Your Immune System

Keep your immune system strong with Wellvalens Welliron Max. By providing essential iron, it helps bolster your immune response, ensuring you stay healthy and resilient.

### Designed for Your Lifestyle

Wellvalens Welliron Max understands your dynamic lifestyle. Our carefully formulated tablets are easy to incorporate into your daily routine, making iron supplementation convenient and hassle-free.

# IRON MAX

Unleash your potential, conquer challenges, and embrace a life of boundless energy with Wellvalens Iron collection!

“Unlock the gate to Peak Wellness and Vibrant Health!”

## Product Specifications

<b>Target Group</b>	: Adults
<b>Dosage Form</b>	: Wellvalens Iron Max comes in form of 30 Tablets.
<b>Recommended Usage</b>	: 1 tablet per day or as physician advise
<b>Active Ingredients</b>	: Ferrous sulfate (Iron) 60 mg
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C. Keep away from children's reach

# Key Features & Benefits

## Iron-Powered Energy

Fuel your active lifestyle with Wellvalens Iron Max. This powerful formula provides 60 mg of active Iron per tablet to support your energy levels and keep you going strong throughout your busy days.

## Vitality Booster

Wellvalens Iron Max is tailored to meet your unique needs. Whether you're pursuing your career, at the gym, or chasing your dreams, this iron supplement gives you the extra edge you need to thrive and succeed.

## Revitalize Your Inner Spark

Elevate your vitality with Wellvalens Iron Max. By optimizing oxygen transport throughout your body, this iron formula helps revitalize your cells, invigorate your muscles, and unleash your inner spark of youthful energy.

## Sharp Mind, Bright Future

Stay mentally sharp and focused with Wellvalens Iron Max. Iron supports brain function and cognitive performance, helping you excel in your studies, work, and personal pursuits. Embrace your potential and seize every opportunity.

## Immune System Support

Keep your immune system in top shape with Wellvalens Iron Max. By providing the essential iron your body needs, it helps support a robust immune response, helping you stay healthy and resilient.

## Lifestyle Friendly

Wellvalens Iron Max understands your dynamic lifestyle. Our carefully formulated tablets are easy to incorporate into your daily routine, ensuring convenient and hassle-free iron supplementation.

## Prenatal Brain Enrichment

Wellvalens Iron Max is essential for pregnant women as Iron plays an important role for the baby's brain development before and after they are born. Getting enough iron during pregnancy is also important after your baby is born. In the last 3 months of pregnancy your baby is building up an iron store that will last 4 to 6 months after birth.

# Respicare Syrup

Natural Orange Flavor

**"Breathe Better, Stay Stronger."**

## Product Specifications

<b>Target Group</b>	: Adults & Children
<b>Dosage Form</b>	: Syrup 150ml
<b>Recommended Usage</b>	: Children: 3 x 10 ml per day, Adults: 10 ml, three times daily, Use a dosing scale (measuring cup). Shake well before use.
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: Store below 25°C in a dry place, away from direct sunlight. Keep tightly closed. Keep out of reach of children. Not recommended for pregnant or breastfeeding women unless advised by a healthcare professional.
<b>Active Ingredients (per 10ml)</b>	: Thyme Extract – 40 mg, Propolis Extract – 40 mg, Iceland Moss Extract – 30 mg, Plantain Extract – 20 mg Vitamin C – 80 mg, Vitamin D3 – 10 µg (400 IU), Zinc – 5 mg.

## Key Features

### Advanced Respiratory Formula

Thyme, Iceland Moss, and Plantain extracts are combined in clinically recognized ratios to support upper and lower respiratory comfort. This synergistic herbal complex helps reduce throat irritation, ease airway congestion, and support respiratory function in both dry and productive cough conditions.

### Triple Immune Support Complex (Vitamin C, D3 & Zinc)

Formulated with the scientifically established immune trio, Respicare supports the body's innate and adaptive immune response. Vitamin C, Vitamin D3, and Zinc work together to enhance immune resilience, particularly during seasonal challenges and periods of increased physiological stress.

### Natural Antimicrobial Protection (Propolis Extract)

Propolis provides a natural line of defense against environmental and microbial challenges. Its well-documented antibacterial and antiviral properties support respiratory tract protection while contributing to overall immune balance.

### Targeted Throat Barrier Support (Iceland Moss)

Iceland Moss forms a protective layer over irritated mucous membranes, helping to reduce dryness, scratchiness, and persistent throat discomfort. This mechanical soothing effect offers fast, noticeable relief without numbing sensations.

### Dual-Action Mucolytic & Expectorant Support

Thyme and Plantain extracts assist in loosening mucus and promoting effective expectoration. By supporting natural clearance mechanisms, Respicare helps improve breathing comfort and reduces the sensation of chest heaviness during congestion.

### Cellular Antioxidant & Recovery Support

By helping counter oxidative stress, Respicare supports the body's recovery processes rather than simply suppressing symptoms. This contributes to a more sustainable return to respiratory comfort and overall well-being.

### Refined Orange Flavor for Daily Compliance

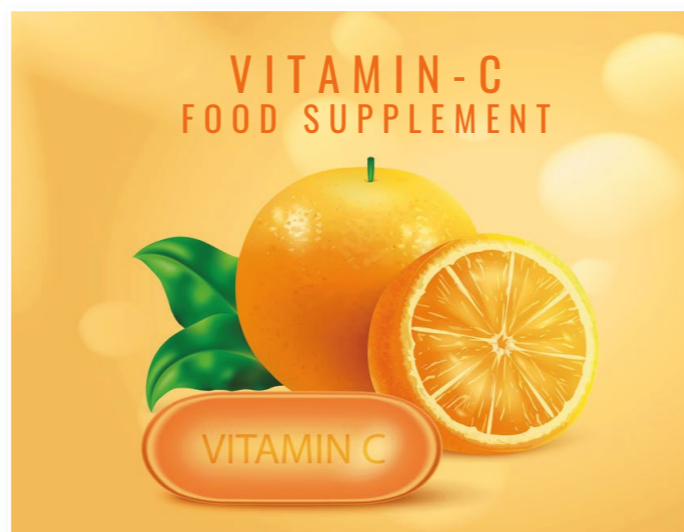

A subtle, natural orange flavor ensures ease of use for adults without excessive sweetness. The liquid format allows for rapid absorption and practical integration into daily routines during demanding periods.

# Vitamin-C

## 500mg

**“Strong Immunity, Gentle Formula”**

### Product Specifications

<b>Target Group</b>	: Adults
<b>Dosage Form</b>	: Wellvalens Vitamin C 500 mg comes in the form of 30 & 60 Tablets
<b>Recommended Usage</b>	: Adults take 1 tablet once per day with 1 glass (200ml) water as a dietary supplement.
<b>Active Ingredients</b>	: Sodium L-Ascorbate (Vitamin C) 500 mg
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C. Keep away from children's reach

## Key Features

### Sublingual Delivery (Direct-to-Bloodstream)

Engineered for peak bioavailability. By dissolving under the tongue, the 500 mg dose bypasses the digestive tract and enters the systemic circulation directly through the mucosal tissue. This ensures a faster and more efficient delivery than traditional tablets.

### Stomach-Friendly & pH-Neutral (The Non-Acidic Advantage)

Formulated with Sodium L-Ascorbate, a premium, non-acidic form of Vitamin C. It is specially balanced to be gentle on the stomach and mouth, providing high-potency support without the irritation or sour aftertaste associated with pure ascorbic acid.

### Rapid Immune Activation

Our "Fast-Dissolve" technology allows the antioxidant shield to take effect almost instantly. It is the perfect high-speed "bio-hack" for those who demand immediate immune reinforcement without waiting for the lengthy digestion process.

## Benefits

### Superior Stability & Potency Lock

Sodium L-Ascorbate is a highly stable variant of Vitamin C. This ensures that every tablet retains its full 500 mg strength throughout its shelf life, providing consistent and reliable protection against oxidative stress and environmental toxins.

### Cellular Radiance & Collagen Catalyst

Acting as a vital trigger for internal collagen synthesis, this sublingual formula works from the inside out to improve skin elasticity, reinforce tooth enamel, and support the structural health of bones and cartilage.

### Enhanced Iron Uptake & Vitality

Optimizes systemic Vitamin C levels to significantly boost the absorption of non-heme iron from your diet. This helps maintain steady energy levels, combatting daily fatigue and supporting cellular oxygenation.

### The Seamless Daily Ritual

No water, no swallowing, no mess. Simply place a tablet under your tongue and let it vanish. Its portable and effortless format is perfectly tailored for a fast-paced, modern lifestyle.

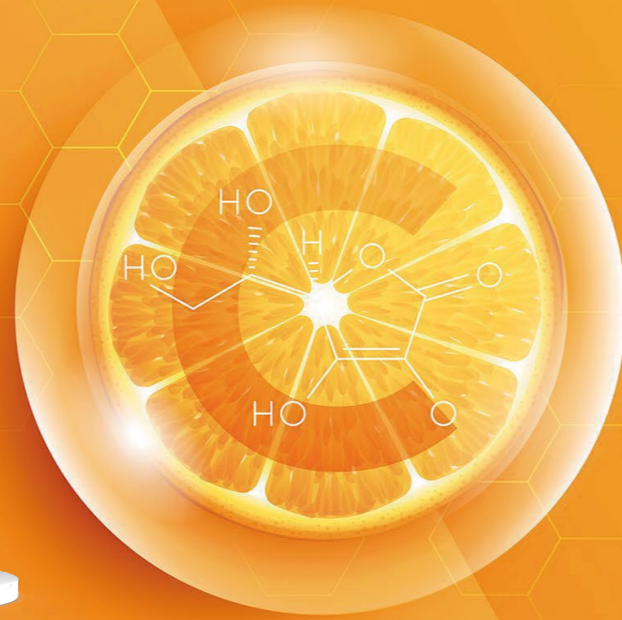

# Vitamin-C

24 CHEWABLE TAB

500 mg

SUGAR FREE

VITAMIN

“Strong Immunity, Gentle Formula”

## Product Specifications

<b>Target Group</b>	: Adults
<b>Dosage Form</b>	: Wellvalens Vitamin C 500 mg comes in the form of 24 chewable Tablets
<b>Recommended Usage</b>	: Adults take 1 chewing tablet per day by keeping it under the tongue until it dissolves.
<b>Active Ingredients</b>	: Sodium L-Ascorbate (Vitamin C) 500 mg
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C. Keep away from children's reach

## Key Features

### Buffered Vitamin C

Sodium L-Ascorbate is a buffered form of Vitamin C, making it gentler on the stomach compared to ascorbic acid, especially for those with sensitive stomachs.

### High Potency

Each tablet provides a substantial dose of 500 mg of Vitamin C, supporting immune function and antioxidant protection.

### Stable Form

Sodium L-Ascorbate is a more stable form of Vitamin C, which may provide longer shelf life and effectiveness.

## Benefits

### Immune Support

Vitamin C enhances immune system function, helping the body fend off infections and illnesses.

### Antioxidant Protection

Vitamin C acts as a powerful antioxidant, protecting cells from oxidative damage caused by free radicals.

### Collagen Synthesis

It plays a crucial role in collagen production, supporting skin health, wound healing, and the maintenance of cartilage, bones, and teeth.

### Improved Iron Absorption

Vitamin C increases the absorption of non-heme iron from plant-based foods, which is beneficial for individuals with low iron levels.

### Reduced Risk of Chronic Diseases

Regular intake of Vitamin C is linked to a lower risk of chronic conditions like heart disease and high blood pressure due to its antioxidant properties.

**"Triple Defense: Boost Immunity, Build Strength, Stay Protected!"**

## Product Specifications

<b>Target Group</b>	: Adults
<b>Dosage Form</b>	: Wellvalens TRIPLE DEFENSE comes in the form of 20 Effervescent Tablets
<b>Recommended Usage</b>	: For adults, dissolve 1 effervescent tablet in a glass (200ml) of water and drink once daily as a dietary supplement.
<b>Active Ingredients</b>	: Ascorbic Acid 1000 mg, Cholecalciferol 10 mcg-400 IU, Zinc 15 mg
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C Keep away from children's reach

## Key Features & Benefits

### High Dose of Vitamin C (1000 mg)

Powerful antioxidant that supports immune health and helps the body combat oxidative stress.

### Vitamin D3 (Cholecalciferol)

Supports bone health, enhances calcium absorption, and strengthens the immune system.

### Zinc

Essential for immune function, wound healing, and maintaining skin integrity.

### Effervescent Form

Dissolves in water for easy absorption and quick action, making it gentle on the stomach compared to tablets or capsules.

### Sugar-Free Formula

Ideal for those watching their sugar intake.

### 20 Tablets

Convenient packaging providing a 20-day supply for daily immune support.

## Benefits

### Immune System Support

The combination of Vitamin C, D3, and Zinc is clinically proven to enhance the body's immune defense against common colds, flu, and infections.

### Antioxidant Protection

Vitamin C acts as a strong antioxidant, neutralizing free radicals that can damage cells, supporting overall health.

### Enhanced Calcium Absorption

Vitamin D3 improves calcium absorption, benefiting bone strength and reducing the risk of bone-related disorders.

### Wound Healing & Skin Health

Zinc is crucial for faster wound healing and maintaining skin health by supporting the production of new cells.

### Energy & Vitality Boost

These nutrients support energy metabolism, helping reduce fatigue and enhance overall vitality.

# C&B Vitamin Complex

**“Unlock the gate to Peak Wellness and Vibrant Health!”**

## Key Features & Benefits

### Try the Strength of Our Advanced Blend

Wellvalens Vitamin C & B Complex combines the power of multiple essential vitamins in one comprehensive formula. Each capsule contains active ingredients, including Vitamin C (100 mg), Vitamin B1 (1.5 mg), Vitamin B2 (1.7 mg), Vitamin B3 (20 mg), Vitamin B5 (10 mg), Vitamin B6 (10 mg), Vitamin B7 / Biotin (300 mcg), Vitamin B9 (1000 mcg), and Vitamin B12 (6 mcg), providing a complete spectrum of B vitamins along with the immune-boosting benefits of Vitamin C.

### C&B COMPLEX

### Amplify Your Energy

Fuel your body with the energy it craves. Wellvalens Vitamin C & B Complex delivers a potent combination of B vitamins known for their role in converting food into energy, supporting optimal vitality and endurance throughout the day.

### Immune System Boost

Fortify your immune defenses with the added support of Vitamin C. Wellvalens Vitamin C & B Complex bolsters your body's natural immune response, helping to ward off common illnesses and keep you feeling your best.

### Nourish Your Mind

Enhance your cognitive function and mental clarity with Wellvalens Vitamin C & B Complex. The B vitamins in this formula play a crucial role in supporting brain health, memory retention, and focus, empowering you to perform at your peak.

### Revitalize Your Body

Wellvalens Vitamin C & B Complex nourishes your body from within. The combination of B vitamins promotes healthy skin, hair, and nails, while also aiding in the production of red blood cells, promoting cardiovascular wellness, and supporting overall vitality.

## Product Specifications

<b>Target Group</b>	: Adults
<b>Dosage Form</b>	: Wellvalens C & B Complex comes in form of 30 & 60 Capsules
<b>Recommended Usage</b>	: 1 capsule per day
<b>Active Ingredients</b>	: Vitamin C (Ascorbic Acid) 100 mg, Vitamin B3 (Niacin) 20 mg, Vitamin B5 (Pantothenic Acid) 10 mg, Vitamin B6 (Pyridoxine) 600 mg, Vitamin B2 (Riboflavin) 1.70 mg, Vitamin B1 (Thiamine) 1.50 mg, Folic Acid (Vitamin B9) 600 µg, D-Biotin 300 µg, Vitamin B12 (Cobalamin) 6 µg.
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C. Keep away from children's reach

# A HEALTHY TOUCH TO LIFE

**VITAMINS &  
MINERALS**

EXPLORE MORE ABOUT OUR PRODUCTS.

**"Energize Your Day, Support Your Nerves."**

# Key Features & Benefits

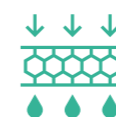

## High-Dosage B Vitamins

Contains potent levels of essential B vitamins to support overall health and energy.

## Synergistic Formula

Combines three critical B vitamins, each with its own unique benefits for nerve function, metabolism, and overall energy production.

## Easy Absorption

The formulation of Thiamine, Pyridoxine, and Cyanocobalamin ensures efficient absorption and bioavailability.

## Supports Nervous System

Designed to promote healthy nerve function and reduce fatigue.

## Energy Production

Vitamin B1, B6, and B12 are essential for converting food into energy, helping reduce tiredness and fatigue.

### Vitamin B1 (Thiamine):

Plays a vital role in the conversion of carbohydrates into energy and supports brain and nervous system health.

### Vitamin B6 (Pyridoxine):

Helps in amino acid metabolism and the production of neurotransmitters, which are crucial for mood regulation and brain function.

### Vitamin B12 (Cyanocobalamin):

Vital for red blood cell production, DNA synthesis, and maintaining energy levels.

## Daily Support for Vitality

Helps in maintaining energy levels, mental clarity, and overall well-being.

## Nervous System Support

B vitamins, particularly B1, B6, and B12, are critical for the maintenance of the nervous system, aiding in proper nerve signal transmission and preventing nerve-related disorders.

## Cognitive Function

These vitamins support cognitive health by contributing to better concentration, memory, and mental sharpness.

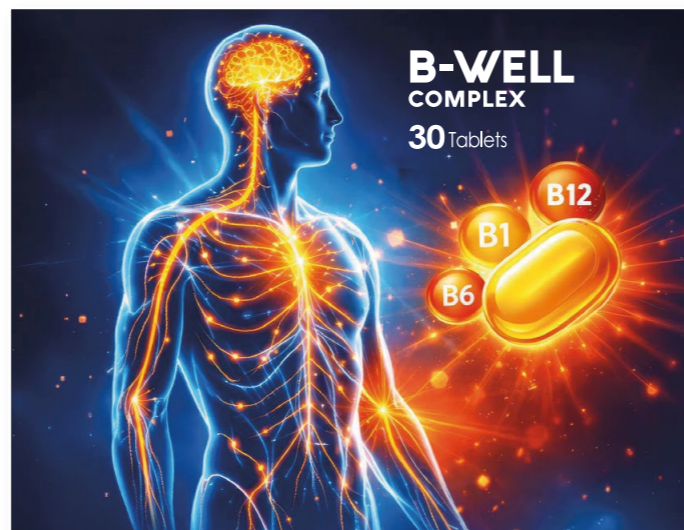

## Red Blood Cell Formation

Vitamin B12 is essential for healthy red blood cell production, which ensures adequate oxygen transport throughout the body, promoting overall vitality and reducing anemia risk.

## Heart Health

Helps maintain cardiovascular health by regulating homocysteine levels (an amino acid linked to heart disease when elevated), especially with B6 and B12.

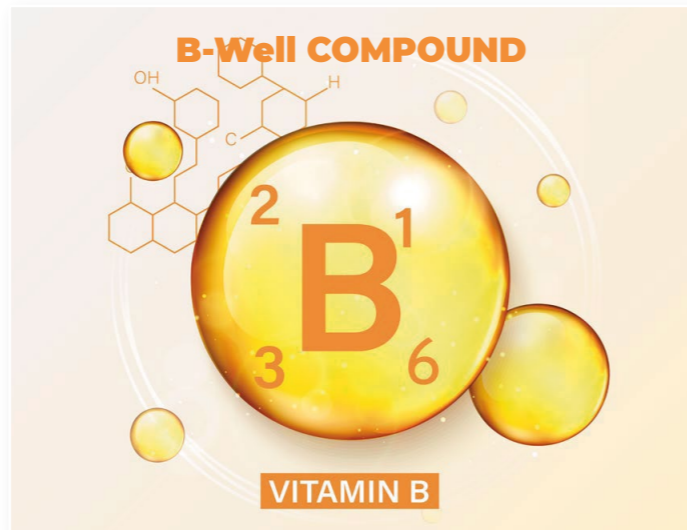

## Product Specifications

<b>Target Group</b>	: Adults
<b>Dosage Form</b>	: Wellvalens B-WELL COMPLEX comes in the form of 30 & 90 Tablets
<b>Recommended Usage</b>	: Adults take 1 tablet once per day with 1 glass (200ml) water as a dietary supplement, or as per physician advise
<b>Active Ingredients</b>	: Vitamin B1 (Thiamine hydrochloride) 100 mg, Vitamin B6 (Pyridoxine hydrochloride) 10 mg, Vitamin B12 (Cyanocobalamin) 200 mcg
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C Keep away from children's reach

**Unlock your full Vitality Potential and Unleash the Energy Within with Wellvalens Vitamin B Support Group.**

**“Unlock the power of sunshine today!”**

## Product Specifications

<b>Target Group</b>	: Adults
<b>Dosage Form</b>	: Wellvalens B-Well Compound comes in form of 90 Tablets..
<b>Recommended Usage</b>	: 1 tablet per day
<b>Active Ingredients</b>	: (Vitamin B1) 0,5 mg - (Vitamin B2) 0,5 mg (Vitamin B3) 5 mg - (Vitamin B6) 0,25 mg
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C. Keep away from children's reach

# Key Features & Benefits

## Full Vitamin B Support

Wellvalens B-Well Compound combines the power of multiple B vitamins in one convenient formula. Each tablet contains active ingredients including Vitamin B1 (0.5 mg), Vitamin B2 (0.5 mg), Vitamin B3 (5 mg), and Vitamin B6 (0.25 mg), providing comprehensive support for your overall well-being.

## Energize Your Body

B vitamins are essential for converting food into energy, and Wellvalens B-Well Compound ensures your body has the fuel it needs to thrive.

## Amplify Cellular Function

Experience the benefits of optimal cellular function with Wellvalens B-Well Compound. These vital vitamins support the growth, repair, and maintenance of cells throughout your body, promoting overall vitality and wellness.

## Nervous System Harmony

Nurture your nervous system with Wellvalens B-Well Compound. The combination of B vitamins supports the healthy functioning of your nerves, helping to maintain optimal communication and coordination within your body.

## Enhance Metabolism

Wellvalens B-Well Compound aids in the metabolism of carbs, proteins and fats, supporting efficient nutrient breakdown and utilization.

## Beauty Unveiled

Wellvalens B-Well Compound promotes healthy skin, strong hair, and resilient nails. These essential vitamins work synergistically to nourish and revitalize your external beauty, giving you a confident appearance.

Protect your energy, nourish your nerves.

The shine you need for a healthy body.

Protect your heart, brain, and body.

Strong support for a strong body.

**“Energize your nerves and say goodbye to stress.”**

# Key Features & Benefits

## Maximum Strength

Wellvalens Vitamin B2 provides a potent dose of 50 mg of active Vitamin B2 per capsule. Experience the full strength of this essential nutrient to support your overall well-being.

## Elevate Your Radiance

Wellvalens Vitamin B2 unleashes the power of radiance, unlocking your inner beauty and vitality. Experience a transformation that shines from within, revealing a luminous complexion, lustrous hair, and strong nails.

## Antioxidant Defense

Wellvalens Vitamin B2 acts as a powerful antioxidant, neutralizing harmful free radicals and protecting your cells from oxidative damage. Embrace the power of natural defense and maintain a youthful, vibrant appearance.

## Eye Health Champion

Nourish your vision with Wellvalens Vitamin B2. This vitamin is known for its role in maintaining healthy eyesight, supporting visual clarity, and protecting against oxidative stress.

## Cellular Revitalization

Wellvalens Vitamin B2 optimizes cellular function, promoting growth, repair, and renewal at a fundamental level. Unlock your body's true potential and embrace a life filled with vibrancy.

## Product Specifications

<b>Target Group</b>	: Adults
<b>Dosage Form</b>	: Wellvalens Vitamin B2 comes in form of 60 Capsules.
<b>Recommended Usage</b>	: 1 capsule per day
<b>Active Ingredients</b>	: Riboflavin (Vitamin B2) 50 mg
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C. Keep away from children's reach

# VITAMIN B6

**“Brain Power, Heart Health, Everyday Energy.”**

## Key Features

### High Potency

Each tablet contains 50 mg of Vitamin B6 (Pyridoxine HCL), providing a strong dose to meet daily needs.

### Pyridoxine HCL Form

Vitamin B6 in the Pyridoxine HCL form is well-absorbed and utilized by the body, making it highly effective.

# B6

### Supports Overall Health

Plays an essential role in numerous bodily functions, including metabolism and brain health.

## Benefits

### Supports Brain Health

Vitamin B6 is crucial for the production of neurotransmitters, which influence mood and cognitive function. It may help improve brain function and reduce symptoms of depression.

### Promotes Healthy Metabolism

It aids in the metabolism of proteins, fats, and carbohydrates, converting food into energy.

### Supports Immune Function

B6 helps the body produce antibodies that are necessary to fight off diseases and infections.

### Helps Maintain Healthy Blood

It is involved in the production of hemoglobin, which carries oxygen in the blood, reducing the risk of anemia.

### Hormonal Balance

B6 plays a role in balancing hormones, which can be beneficial for mood regulation, especially in women.

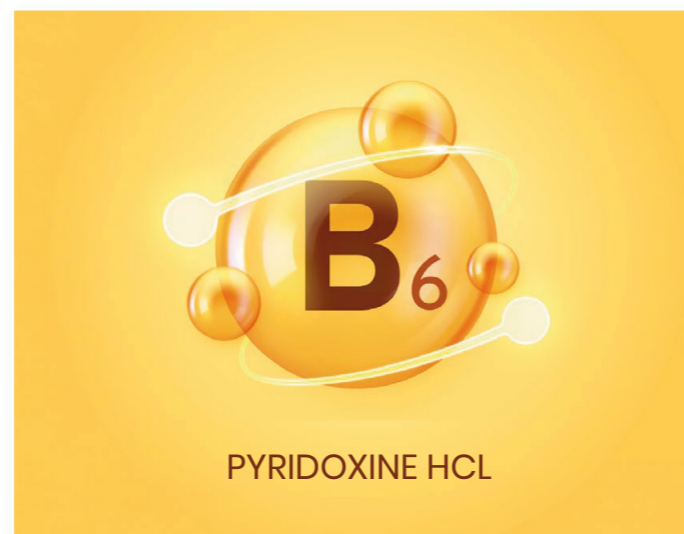

### Heart Health

It helps reduce homocysteine levels, an amino acid linked to heart disease when found in elevated amounts.

### Reduces Morning Sickness

Vitamin B6 is often used to reduce nausea, including morning sickness during pregnancy.

## Product Specifications

<b>Target Group</b>	: Adults
<b>Dosage Form</b>	: Wellvalens Vitamin B6 Tablets comes in the form of 30 & 90 Tablets
<b>Recommended Usage</b>	: Adults take 1 tablet once per day with 1 glass (200ml) water as a dietary supplement.
<b>Active Ingredients</b>	: Vitamin B6 (PYRIDOXINE HCL) 50 mg
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C. Keep away from children's reach

# C&B Vitamin Complex

“Unlock the gate to Peak Wellness and Vibrant Health!”

<b>Dosage Form</b>	: Wellvalens B12 comes in form of 90 Tablets.
<b>Recommended Usage</b>	: 1 tablet per day
<b>Active Ingredients</b>	: Cyanocobalamin (Vitamin B12) 1000 µg
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C. Keep away from children's reach

# Key Features & Benefits

## Energize Your Body

Experience a remarkable energy boost with Wellvalens B12, packed with 1000 IU of active Vitamin B12. Say goodbye to fatigue and embrace a revitalized and vibrant lifestyle.

## Amplify Absorption

Our advanced formula ensures optimal absorption, allowing your body to quickly and efficiently utilize the power of active Vitamin B12. Feel the difference as your energy levels soar.

## Unleash Your Mental Potential

Unlock your cognitive prowess with Wellvalens B12. Enhance brain function, improve memory retention, and sharpen mental clarity. Stay at the top of your game and achieve your goals with ease.

## Nourish Your Nervous System

Give your nervous system the care it deserves. Wellvalens B12 supports a healthy nervous system, reducing the risk of nerve-related issues and promoting overall well-being.

## Become a Heart Health Champion

Prioritize your cardiovascular wellness with Wellvalens B12. Regulate homocysteine levels, support optimal heart function, and safeguard the health of your most vital organ.

## Renew and Thrive

Experience cellular renew like never before. Wellvalens B12 stimulates the production of new cells and facilitates DNA synthesis, promoting overall cellular growth and rejuvenation.

EVERYDAY SUNSHINE  
FOR STRONGER IMMUNITY  
AND VITALITY

# D3 VITAMIN

“Unlock the power of sunshine today!”

## Key Features & Benefits

### Let the Sunshine In

Wellvalens D3 is your daily dose of sunshine in a tablet, delivering 1000 IU of Vitamin D3. This essential nutrient, known as the "sunshine vitamin," harnesses the power of sunlight to support your overall well-being.

### Optimal Bone Strength

Vitamin D3 plays a crucial role in calcium absorption, promoting strong and healthy bones. It helps maintain bone density, ensuring your skeletal system stays strong and resilient.

### Empowers Your Immune System

As Vitamin D3 is a key player in immune function. It enhances the body's defenses, supporting a robust immune response and helping you stay in top shape.

### Elevate Your Mood

Adequate levels of Vitamin D3 are linked to improved mood and mental well-being. By uplifting your spirits and promoting a positive outlook, it allows you to embrace life to the fullest.

### Cardiovascular Support

Wellvalens D3 have your heart's best interest in mind. It assists in maintaining healthy blood pressure, reducing inflammation, and promoting optimal heart function for a strong and resilient cardiovascular system.

## Product Specifications

<b>Target Group</b>	: Adults
<b>Dosage Form</b>	: Wellvalens D3 comes in a form of 90 tablets per pack.
<b>Recommended Usage</b>	: 1 tablet per day
<b>Active Ingredients</b>	: Cholecalciferol (Vitamin D3) 1000 IU 25 µg.
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C. Keep away from children's reach

**HIGH-STRENGTH VITAMIN D3 FOR ENHANCED IMMUNE AND SKELETAL SUPPORT.**

# D3 VITAMIN

**2000 IU**

**Unlock the power of sunshine today!**

## Product Specifications

<b>Target Group</b>	: Adults
<b>Dosage Form</b>	: Wellvalens D3 comes in a form of 60 tablets per pack.
<b>Recommended Usage</b>	: 1 tablet per day
<b>Active Ingredients</b>	: Cholecalciferol (Vitamin D3) 2000 IU 50 µg.
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C. Keep away from children's reach

## Key Features & Benefits

### More Intensive Sun Support

Wellvalens D3 2000 IU takes your daily Vitamin D3 support to a more intensive level. Formulated with an increased dose to more powerfully support the essential benefits provided by the sun vitamin.

### Bone Strength and Mineral Support

Vitamin D3 supports the maintenance of normal bone structure by contributing to calcium absorption. This powerful 2000 IU formula helps maintain bone density, supporting the strength of the skeletal system.

### Enhanced Contribution to Immune Function

Vitamin D3 contributes to the normal function of the immune system. The 2000 IU support helps maintain immune balance, aiding the body's natural defense capacity during intense periods.

### Muscle Function and Daily Performance

Vitamin D3 contributes to normal muscle function. This support helps maintain daily mobility for individuals with active lifestyles.

### Balance and Overall Well-Being

Adequate Vitamin D3 levels play an important role in maintaining overall well-being. The 2000 IU formula provides balanced and sustainable support as part of a long-term health approach.

EXPERIENCE THE  
RADIANCE OF OPTIMAL  
HEALTH WITH WELLVALENS

# D3 SOFTGEL

**8 Softgel**

**Unlock the power of sunshine today!**

## Product Specifications

<b>Target Group</b>	: Adults
<b>Dosage Form</b>	: Wellvalens D3 comes in a form of 8 softgels
<b>Recommended Usage</b>	: Adults take 1 Softgel once per week with 1 glass (200ml) water as a dietary supplement or as per physician advise
<b>Active Ingredients</b>	: Cholecalciferol (Vitamin D3) 50,000 IU
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C. Keep away from children's reach

## Key Features & Benefits

### Mega-Potency Vitamin D3 (50,000 IU)

Engineered for rapid replenishment. Each softgel delivers a high-potency dose of 1,250 µg (50,000 IU) of Vitamin D3, making it the ultimate solution for individuals looking to correct clinical deficiencies or maintain peak systemic levels efficiently.

### Superior Bioavailability (Cholecalciferol)

Formulated with premium Cholecalciferol, the most bioavailable form of Vitamin D. This oil-based softgel ensures maximum absorption, mimicking the natural vitamin D produced by the body during sunlight exposure.

### Structural & Skeletal Fortification

Acting as the master regulator of calcium and phosphorus, this high-dose formula ensures these essential minerals are directed to your bones and teeth, preventing mineral loss and maintaining long-term skeletal density.

### Advanced Immune Modulation

Vitamin D3 is a crucial component of your body's natural defense. This concentrated dose helps "prime" the immune system, reducing the risk of seasonal infections and supporting a balanced inflammatory response.

### Neuromuscular Power & Balance

Supports the structural integrity of muscle fibers and enhances coordination. It is particularly vital for maintaining muscle mass and mobility, providing the physical resilience needed for an active lifestyle.

### Cardiovascular & Heart Wellness

Contributes to a healthy heart by supporting vascular function and maintaining healthy blood pressure levels. Its role in reducing systemic inflammation makes it a long-term ally for heart health.

### Cognitive & Mood Resilience

Extensive research links Vitamin D3 levels to brain health and mood regulation. High-dose supplementation may assist in maintaining cognitive clarity and a positive mental outlook, especially during months with limited sunlight.

### Convenient Weekly/Periodic Support

Ditch the daily pills. This 8-softgel pack is designed for a convenient periodic regimen, providing a long-lasting reservoir of Vitamin D that fits perfectly into a busy modern routine.

# WELLVITA MULTIVITAMINS & MINERALS

**“Your Pathway to Optimal Well-Being!”**

## Product Specifications

<b>Target Group</b>	: Adults
<b>Dosage Form</b>	: Wellvita Multivitamins & Minerals comes in form of 100 & 30 tablets per pack.
<b>Recommended Usage</b>	: 1 tablet per day
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C Keep away from children's reach
<b>Shelf-Life</b>	: 24 Months
<b>Active Ingredients</b>	: Vitamin C 40 mg, Vitamin B3 18 mg, Vitamin E 10 mg, Zinc Sulfate Monohydrate Eq. To Zinc 10 mg, Vitamin B5 3 mg, Vitamin B2 1,6 mg, Vitamin B1 1,4 mg, Vitamin B6 1 mg, Vitamin A (As Acetate) 600 mcg, Manganese Sulfate Eq. To Manganese 250 mcg, Biotin 150 mcg, Folic Acid 100 mcg, Potassium Iodide Eq. To Iodine 100 mcg, Copper Sulfate Eq. To Copper 30 mcg, Sodium Selenate Eq. To Selenium 30 mcg, Chromium Chloride Eq. To Elemental Chromium 25 mcg, Vitamin D3 5 mcg, Vitamin B12 1 mcg

# Key Features & Benefits

## The Daily Life-Force Matrix

A masterfully balanced spectrum of essential vitamins and minerals designed to bridge nutritional gaps. One tablet a day provides a comprehensive "safety net," ensuring your body has the micro-nutrients required for over 200 daily biological functions.

## Metabolic Spark & Energy Ignition (B-Complex)

Powered by high-potency B-Vitamins (B1, B2, B3, B5, B6, B12). This dynamic complex acts as a metabolic catalyst, efficiently converting food into cellular energy (ATP) to combat daily fatigue and keep you mentally sharp.

## Advanced Antioxidant Shield (Vitamins A, C & E)

A triple-threat defense system. These potent antioxidants work in synergy to neutralize free radicals, protecting your cells from oxidative stress and environmental toxins while promoting a naturally radiant complexion.

## Immune Resilience & Mineral Fortification

Infused with Zinc (10 mg), Selenium, and Iodine to strengthen your body's natural defense mechanisms. This mineral blend supports white blood cell function and thyroid health, ensuring unwavering resilience against seasonal challenges.

## Structural & Neuromuscular Harmony

Featuring Manganese and Copper to support bone density and connective tissue integrity. Combined with Magnesium, it assists in proper muscle function and maintains the structural framework of a healthy, active body.

## Cognitive Clarity & Nervous System Balance

Specifically formulated to support neurotransmitter health. The combination of Folic Acid, B6, and B12 promotes better mood regulation, mental focus, and long-term neurological well-being.

## The Beauty-from-Within Complex (Biotin)

Includes a targeted dose of Biotin to nourish your hair, skin, and nails at the cellular level. It reinforces keratin structures, ensuring your natural glow is a true reflection of your internal health.

## Vital Vision & Eye Protection

High-purity Vitamin A (600 mcg) works to protect delicate eye tissues and maintain healthy vision, especially important for individuals with high screen time or those exposed to night-driving stress.

## Precision Trace Mineral Support

Unlocks the power of Chromium and Molybdenum to support healthy blood sugar levels and metabolic detoxification. These rare trace minerals ensure your body's internal chemistry remains in perfect balance.

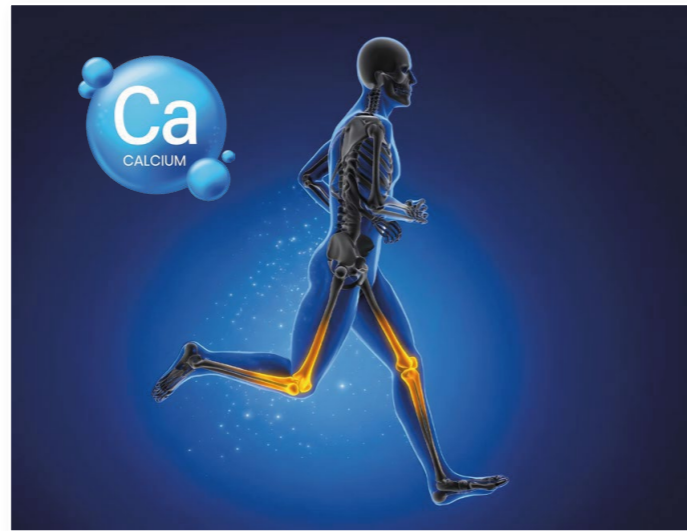

# WellCall

## CALCIUM

Highly absorbable calcium lactate for bones, muscles, and heart

Unlock the power of sunshine today!

### Product Specifications

<b>Target Group</b>	: Adults
<b>Dosage Form</b>	: Wellcall comes in form of 60 Tablets
<b>Recommended Usage</b>	: Take 1 tablet per day with a full glass (200 ml) of water.
<b>Active Ingredients</b>	: Calcium Lactate Pentahydrate – 923 mg (Provides 120 mg elemental Calcium)
<b>Shelf-Life</b>	: 24 months
<b>Storage</b>	: Store below 25°C in a dry place. Keep out of reach of children. Not recommended for pregnant or breastfeeding women or children under 12. Consult a healthcare provider if you are taking medication or have a medical condition.

# Key Features & Benefits

## Premium Calcium Lactate Pentahydrate

Formulated with the high-purity Pentahydrate form of Calcium Lactate. This organic mineral source is highly soluble and easily recognized by the body, ensuring efficient mineral transport to the skeletal system.

## Superior Bioavailability

Designed for maximum absorption. Unlike inorganic calcium sources that require high stomach acid to break down, the lactate form is readily absorbed, providing consistent nutritional support for bone and dental health.

## The "Gentle-on-Stomach" Choice

Perfect for individuals with sensitive digestive systems. Our formula is non-acidic and does not cause the common side effects like bloating, gas, or constipation typically associated with calcium carbonate supplements.

## Skeletal Strength & Bone Density

Provides the essential building blocks needed to maintain strong bones and healthy tooth enamel. It supports long-term structural integrity and helps prevent mineral loss across all stages of life.

## 100% Dairy-Free Mineral Support

Although named "Lactate," this ingredient is not derived from milk. It is a perfect, dairy-free calcium alternative for individuals with lactose intolerance or those following a milk-free diet.

## Neuromuscular & Nerve Signaling

Calcium is the primary messenger for muscle contractions and nerve transmission. Wellcall ensures your body has the necessary levels to support proper muscle function, helping to prevent spasms and cramps.

## Vascular & Heart Rhythm Harmony

Plays a crucial role in maintaining cardiovascular wellness. It supports heart muscle performance and vascular integrity, contributing to the regulation of a healthy, steady heartbeat.

# A HEALTHY TOUCH TO LIFE

# Respicare Syrup

Natural Orange Flavor

**"Breathe Better, Stay Stronger."**

## Product Specifications

<b>Target Group</b>	: Adults & Children
<b>Dosage Form</b>	: Wellvalens Respicare Emune System comes in form of syrup in 150mL bottle.
<b>Recommended Usage</b>	: It is recommended to consume 3 scales per day for children. For Adults take 10 ml three times daily.
<b>Active Ingredients</b>	: Tyme Extract 40 mg, Propolis Extract 40 mg, Iceland Moss Extract 30 mg, Plantain 20 mg, Vitamin C 80 mg, Vitamin D3 10 mcg-400IU, Zinc 5 mg
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C. Keep away from children's reach

## Key Features

### Gentle Herbal Respiratory Support

Thyme, Iceland Moss, and Plantain extracts are carefully selected to support children's respiratory comfort. This mild herbal combination helps soothe the throat, support clear airways, and provide comfort during both dry and productive coughs.

### Immune Support for Growing Bodies (Vitamin C, D3 & Zinc)

Formulated to support the natural immune system of children, the balanced combination of Vitamin C, Vitamin D3, and Zinc helps maintain normal immune function, especially during seasonal changes and school periods.

### Natural Protective Support (Propolis Extract)

Propolis extract supports the body's natural defense mechanisms. Known for its gentle antimicrobial properties, it helps protect the respiratory tract from external challenges while remaining suitable for daily use.

### Soothing Throat Care with Iceland Moss

Iceland Moss helps form a soft, protective layer over the throat, easing dryness, tickling sensations, and irritation. This comforting effect supports children's throat comfort without harsh ingredients.

### Supports Mucus Clearance Naturally

Thyme and Plantain extracts help loosen mucus and support its natural removal. This helps children breathe more comfortably during times of congestion.

### Antioxidant Support for Recovery

By supporting the body's antioxidant balance, Respicare contributes to the natural recovery process and overall well-being during respiratory discomfort.

### Pleasant Orange Flavor, Easy to Take

Designed with children in mind, Respicare features a smooth liquid form and a gentle natural orange flavor to encourage regular use and ease of administration.

EXPERIENCE THE POWER OF COMPREHENSIVE NUTRITION AND GIVE YOUR BODY THE SUPPORT IT NEEDS FOR A VIBRANT AND BALANCED LIFE.

Boost your wellness with Wellvalens

## Product Specifications

<b>Target Group</b>	: Children between 4-10 Years Old
<b>Dosage Form</b>	: Wellvita Multivitamin comes in form of syrup in 150mL bottle.
<b>Recommended Usage</b>	: 2 scales (10ml) per day
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C. Keep away from children's reach
<b>Active Ingredients</b>	: L-Arginine 250 mg, Vitamin C (L-ascorbic Acid) 80 mg, Vitamin E (DL alpha Tocopherol Acetate) 12 mg α-TE, Zinc Sulphate 7.5 mg, Vitamin B3 (Nikotinamid) 16 mg NE, Vitamin B5 (D-Pantothenate, Calcium) 6 mg, Vitamin D3 (Cholecalciferol) 10 µg, Vitamin A (Retinyl Palmitate) 500 µg RE, Manganese (Manganese Sulfate) 1 mg, Vitamin B6 (Pyridoxine Hydrochloride) 1.4 mg, Vitamin B2 (Riboflavin) 1.4 mg

# Key Features & Benefits

**The Growth & Vitality Catalyst (L-Arginine)**  
 Infused with L-Arginine, a vital amino acid known for supporting healthy growth and physical development. It acts as a primary building block for protein synthesis, helping children reach their full developmental potential.

**Metabolic Spark & Performance (B-Complex)**  
 A high-potency blend of B-Vitamins (B1, B2, B3, B5, B6, B12) that optimizes energy production. This liquid complex ensures children have the stamina for both physical play and intensive learning throughout the day.

**Triple Immune Reinforcement**  
 Formulated with the powerful trio of Vitamin C, Zinc, and Selenium. This targeted combination strengthens the body's natural defenses, providing robust protection against seasonal challenges and environmental stressors.

**Bone Density & Skeletal Integrity**  
 Contains Vitamin D3 and Manganese to support healthy bone mineral density. These ingredients work in harmony to ensure strong skeletal development and healthy teeth during critical growing years.

**Cognitive Clarity & Mental Focus**  
 Specifically designed to nourish the developing brain. With essential B-Vitamins and Zinc, Wellvita supports neurotransmitter health, enhancing concentration, memory, and overall mental performance.

**Antioxidant Shield & Cellular Protection**  
 Rich in Vitamins C and E, providing a powerful defense against oxidative stress. This antioxidant blend protects delicate cellular structures and supports a healthy, radiant complexion from within.

**Hematological Support (B12 & Selenium)**  
 Supports healthy red blood cell formation and efficient oxygen transport. This ensures that every tissue in the developing body receives the oxygen and nutrients needed for peak biological performance.

**Optimized Liquid Bioavailability**  
 The smooth liquid format in a 150 ml bottle is designed for rapid absorption and easy administration. It is the perfect, trusted solution for children who have difficulty swallowing tablets, fitting seamlessly into daily family routines.

# Key Features & Benefits

## The Royal Vitality Boost (Bee Milk)

Fortified with 50 mg of pure Royal Jelly, nature's "superfood." This rare ingredient is rich in unique proteins and fatty acids that naturally support a child's immune system, enhance energy levels, and promote healthy physical development.

## Prebiotic Gut Harmony (FOS)

Includes 250 mg of Fructooligosaccharides (FOS). These prebiotics act as "fuel" for beneficial gut bacteria, supporting a healthy digestive system, improving nutrient absorption, and contributing to overall gut-brain wellness.

## Immune Defense Architecture

A powerful combination of Vitamin C, D3, A, and Copper. This synergistic blend creates a multi-layered shield against seasonal challenges, helping children stay resilient and recover faster.

## Metabolic Spark & Growth (Full B-Complex)

Featuring a comprehensive range of B-Vitamins (B1, B2, B3, B5, B6, B12). These act as metabolic igniters, helping convert food into the energy needed for active play, learning, and steady physical growth.

## Brain & Nerve Development

Specifically formulated with Vitamin B12, B6, and Magnesium to support neurological health. These key nutrients aid in cognitive function, focus, and healthy nerve transmission during the most critical years of development.

## Strong Skeletal Foundation (D3 + Magnesium)

Ensures that children develop strong bones and healthy teeth. Vitamin D3 optimizes calcium and phosphorus absorption, while Magnesium provides the structural support needed for a growing frame.

## Healthy Vision & Skin Integrity

With 600 µg of Vitamin A, Yum-Tums supports sharp vision and maintains the health of skin and mucous membranes, acting as the body's first line of defense against external factors.

## Bioavailable Copper & Red Blood Cell Support

The inclusion of Copper ensures efficient iron utilization and red blood cell formation, preventing fatigue and ensuring that developing tissues are well-oxygenated.

## Product Specifications

<b>Target Group</b>	: Children 4-10 Years Old
<b>Dosage Form</b>	: Wellvalens Yum-Tums comes in form of syrup in 150ml bottle.
<b>Recommended Usage</b>	: 2 scales (10ml) per day
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C. Keep away from children's reach
<b>Active Ingredients</b>	: Fructooligosaccharide (FOS) 250 mg, L-Ascorbic Acid (Vitamin C) 60 mg, Bee Milk Royal Jelly (honey bee milk) 50 mg, Magnesium Sulphate (Magnesium) 25 mg, Vitamin B3 14 mg/10, DL-alpha-tocopheryl acetate (Vitamin E) 10 mg (α-TE), Calcium D-pantothenate (Vitamin B5) 6 mg, Pyridoxine hydrochloride (Vitamin B6) 1.4 mg, Riboflavin (Vitamin B2) 1.4 mg, Thiamine hydrochloride (Vitamin B1) 1.1 mg, Retinyl Palmitate (Vitamin A) 600 µg RE, Copper Sulphate (Copper) 150 µg, Cholecalciferol (Vitamin D3) 200 IU, 5 µg, Cyanocobalamin (Vitamin B12) 1 µg

# VITAMIN C SYRUP

HIGH  
VITAMIN C  
100ml

"Essential Vitamin C Support for Active and Healthy Kids!"

## Product Specifications

<b>Target Group</b>	: Children between 4-10 Years Old
<b>Dosage Form</b>	: Wellvalens WELLVITA VITAMIN C SYRUP comes in form of syrup in 100mL bottle.
<b>Recommended Usage</b>	: It is recommended to consume one scales (5 ml) per day for children.
<b>Active Ingredients</b>	: Vitamin C (Ascorbic Acid) 50 mg,
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C Keep away from children's reach

## Key Features & Benefits

### Immune Boosting Formula

Contains Vitamin C, a critical nutrient for boosting the body's natural defenses, helping to prevent colds, flu, and infections.

### Antioxidant Protection

Vitamin C is a potent antioxidant that helps protect cells from oxidative stress, promoting overall health and wellness.

### Supports Skin Health and Collagen Formation

Vitamin C, Vitamin D, and Ginseng work together to strengthen the immune system, helping the body defend against infections and illnesses.

### High-Quality Vitamin C Supplement

Includes Citric Acid, which adds a natural tart flavor while supporting digestion and improving the absorption of Vitamin C.

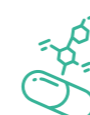

### Child-Friendly Syrup Form

Easy-to-take syrup with a pleasant taste, making it suitable for children and adults who prefer liquid supplements over tablets.

### Boosts Immune System

Vitamin C plays a crucial role in supporting the immune system, helping to reduce the duration and severity of colds and other illnesses, making it an essential nutrient for children and adults alike.

### Powerful Antioxidant Protection

Protects the body from free radical damage, reducing the risk of chronic diseases and promoting long-term health.

### Improves Iron Absorption

Vitamin C enhances the absorption of non-heme iron from plant-based foods, helping to prevent iron deficiency, especially in children and vegetarians.

### Child-Friendly Supplement

With its pleasant taste and liquid form, it is easy to administer to children, ensuring compliance with daily supplementation.

# WELLVITA

## CHILDREN MULTIVITAMIN

### SYRUP Max

100 ml

**"Strong Minds, Healthy Bodies, Happy Futures."**

### Product Specifications

<b>Target Group</b>	: Children between 4-10 Years Old
<b>Dosage Form</b>	: Wellvalens WELLVITA-CHILDREN MULTIVITAMIN comes in form of syrup in 100ml bottle.
<b>Recommended Usage</b>	: It is recommended to consume 1 (5 ml) or 2 scales (10 ml) per day for children.
<b>Active Ingredients</b>	: Vitamin C 15 mg, Vitamin B1 2 mg, Vitamin B2 1.5 mg, Vitamin B3 14 mg, Vitamin B5 2 mg, Vitamin B6 1 mg
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C Keep away from children's reach.

## Key Features & Benefits

### Vitamin C

Supports the immune system, aids in collagen production for healthy skin, and helps absorb iron from plant-based foods, which is crucial for preventing anemia.

### Vitamin B1 (Thiamine)

Plays a key role in converting food into energy and supports the healthy functioning of the heart, muscles, and nervous system.

### Vitamin B2 (Riboflavin)

Helps in the breakdown of fats, proteins, and carbohydrates, which leads to energy production, and also supports healthy skin and eyes.

### Vitamin B3 (Niacin)

Aids in energy metabolism, supports the nervous system, and helps maintain healthy skin.

### Vitamin B5 (Pantothenic Acid)

Essential for synthesizing coenzyme A, which is involved in fatty acid metabolism and the production of energy.

### Vitamin B6

Supports brain development and function, helps the body make the hormones serotonin and norepinephrine, and assists in hemoglobin production.

### Comprehensive Vitamin Support

Contains essential vitamins such as Vitamin C, B1, B2, B3, B5, and B6 to support overall growth and development in children.

### Boosts Immune Health

Vitamin C enhances immunity, helping to protect children against common colds and illnesses.

### Energy and Metabolism

B vitamins (B1, B2, B3, B5, and B6) aid in energy production, ensuring children remain active and energetic throughout the day.

### Cognitive and Nervous System Support

Vitamins B1, B3, and B6 contribute to brain development and the healthy functioning of the nervous system.

### Healthy Growth

The combination of vitamins supports physical growth, including muscle, skin, and overall body development.

### Convenient Liquid Form

Easy-to-administer liquid format ensures effortless consumption for children, especially those who dislike pills.

### Great for Daily Use

Safe and balanced formulation designed for consistent, daily use to maintain optimal health.

Wellvalens WELLFER 150 ml Syrup, which contains Ferrous Fumarate 45 mg, is primarily used to treat or prevent iron deficiency anemia. Ferrous Fumarate is a form of iron that helps the body produce healthy red blood cells, which are essential for transporting oxygen throughout the body

<b>Recommended Usage</b>	: It is recommended to consume 2 scales (10 ml) per day for children aged 4-10.
<b>Active Ingredients</b>	: Vitamin A 5000 IU, Vitamin D 500 IU, Vitamin C 50 mg, Vitamin B1 2 mg, Vitamin B2 1 mg, Vitamin B3 12.5 mg, Vitamin B5 2 mg, Vitamin B6 1 mg
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C Keep away from children's reach

## Key Features & Benefits

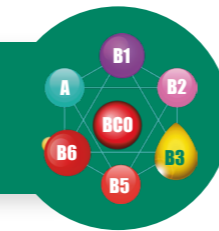

### Vitamin B1 (Thiamine)

Supports the conversion of carbohydrates into energy, promoting healthy nerve function, muscle activity, and heart health.

### Vitamin B2 (Riboflavin)

Plays a key role in energy production, maintaining healthy skin, eyes, and nerves, and acts as an antioxidant to protect cells from damage.

### Vitamin B3 (Niacin)

Enhances digestive health, nervous system function, and skin health while improving circulation and energy conversion.

### Vitamin B5 (Pantothenic Acid)

Vital for synthesizing coenzyme A, which aids in metabolizing fats, carbohydrates, and proteins, while supporting skin health and reducing stress.

### Vitamin B6 (Pyridoxine)

Essential for brain health, nerve function, neurotransmitter production, red blood cell formation, and immune system support.

## Benefits

### Rich in Essential B Vitamins

Includes Vitamin B1, B2, B3, B5, and B6 to support various bodily functions.

### Boosts Energy Metabolism

Helps convert carbohydrates, fats, and proteins into energy for daily activities.

### Supports Nervous System Function

Promotes healthy nerve and brain function, reducing fatigue and stress.

### Enhances Skin and Overall Vitality

Improves skin health and supports overall well-being.

### Immune System Support

Contributes to the production of red blood cells and enhances immune response.

### Stress Reduction

Assists in stress management through the synthesis of coenzymes and neurotransmitters.

### Convenient Liquid Form

Easy-to-take syrup for better absorption and suitability for a wide range of users.

★ This combination of vitamins in WELLVITA-BCO Syrup is designed to promote overall well-being by supporting energy levels, immune function, and the health of skin, bones, and muscles.

<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C Keep away from children's reach

## Key Features

### Vitamin A (5000 IU)

Supports healthy vision, boosts immune function, and promotes skin health by enhancing cell regeneration and repair.

### Vitamin D (500 IU)

Plays a crucial role in calcium absorption for strong bones and teeth, boosts the immune system, and improves overall bone health.

### Vitamin B1

Supports energy metabolism and helps convert carbohydrates into energy. It also promotes proper nerve function and muscle coordination.

### Vitamin C

A powerful antioxidant that supports the immune system, enhances skin health, and aids in wound healing and collagen production.

### Vitamin B3

Improves cardiovascular health by lowering cholesterol, supports brain function, and promotes healthy skin.

### Vitamin B2

Aids in energy production, helps maintain healthy skin, eyes, and nerves, and contributes to the conversion of food into energy.

### Vitamin B6

Plays a role in brain health, supports red blood cell production, and aids in regulating mood and reducing symptoms of depression.

### Vitamin B5

Essential for the production of coenzyme A, which is necessary for fatty acid metabolism and energy production.

### Immune Support

Vitamins A, C, and D are known to enhance immune system function, helping the body defend against illnesses.

### Comprehensive Vitamin Blend

Contains essential vitamins such as Vitamin A, D, C, and B-complex (B1, B2, B3, B5, B6) to support various bodily functions.

### Bone and Skin Health

Vitamin D aids in calcium absorption for strong bones, while Vitamins A and C contribute to healthy skin by promoting cell regeneration and collagen production.

### Energy Metabolism

B-complex vitamins (B1, B2, B3, B5, B6) play a crucial role in converting food into energy, supporting daily vitality and reducing fatigue.

### Antioxidant Properties

Vitamin C acts as a powerful antioxidant, protecting cells from oxidative stress and supporting overall cellular health.

Wellvalens WELLVITA-WELLAVIT SYRUP 150 ml boosts energy metabolism and supports nerve, brain, and immune function, thanks to its blend of essential B vitamins. It helps reduce fatigue, promotes skin health, and enhances overall vitality.

A well-rounded blend of essential vitamins (A, B-complex, C, D) and Ginseng extract, formulated to support overall health and vitality in children and adults.

### Ginseng Extract for Enhanced Energy

Contains 262.5 mg of Ginseng extract, known for its natural energy-boosting properties, helping to reduce fatigue and improve mental clarity.

### Immune System Support

Vitamin C, Vitamin D, and Ginseng work together to strengthen the immune system, helping the body defend against infections and illnesses.

### Supports Cognitive Function

B-vitamins (B1, B2, B3, B5, B6, B12) play a crucial role in supporting brain function, memory, and concentration, promoting mental clarity and focus.

### Promotes Healthy Growth and Development

Vitamin A and D are essential for bone growth, vision, and overall development in children, making it a great option for growing bodies.

### Antioxidant Protection

Vitamins A, C, and E act as antioxidants, helping to protect cells from oxidative stress and supporting long-term health.

### Tasty and Easy-to-Take Syrup

The syrup formulation makes it easy for children and adults to take, ensuring consistent daily supplementation with a pleasant flavor.

### Boosts Immune Health

Vitamin C and Vitamin D strengthen the immune system, helping the body fight off infections, colds, and flu, particularly in children and individuals with weakened immunity.

### Promotes Energy and Reduces Fatigue

Ginseng extract and B-complex vitamins (B1, B2, B3, B5, B6, B12) enhance energy production, helping to reduce fatigue and improve endurance and overall energy levels.

### Supports Healthy Growth and Development

Vitamin A supports vision and growth, while Vitamin D promotes healthy bones and teeth, making this formula ideal for growing children.

# LITTLE IRON HERO

Unleash your potential, conquer challenges, and embrace a life of boundless energy with Wellvalens Little Iron Hero Drops!

Energize your iron-strong lifestyle.

Little Iron Hero

## Product Specifications

<b>Target Group</b>	: Children 4-10 Years Old
<b>Dosage Form</b>	: Wellvalens Little Iron Hero Drops comes in form of a 30mL bottle with a child-friendly dropper.
<b>Recommended Usage</b>	: 20 drops (1ml) per day
<b>Active Ingredients</b>	: Iron (Bisglycinate) 25 mg
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C. Keep away from children's reach

# Key Features & Benefits

## Mighty Iron Support

Little Iron Hero Drops delivers a gentle yet effective dose of 25 mg of active Iron per 30 ml bottle with raspberry flavor, giving your child the superhero-like strength they need to support their growth and maintain healthy iron levels.

## Fuel Growing Superheroes

Little Iron Hero Drops are specially designed for children, providing the essential iron their bodies require during crucial development stages, nurturing their potential and helping them thrive with this superhero-inspired iron supplement.

## Energize Adventure-Filled Days

Power up your child's energy levels with Little Iron Hero Drops. This superhero formula supports optimal oxygen transport, helping your child stay active, focused, and ready to conquer every exciting adventure that comes in their way.

## Support Brain Power

Little Iron Hero Drops are not just for physical strength but also for mental agility. Iron plays a vital role in cognitive development, helping support your child's brain power, memory, and concentration as they learn and explore the world around them.

## Immune Defender

Little Iron Hero Drops help fortify your child's immune system, enabling them to ward off common illnesses and stay strong. Empower their natural defenses and support their superhero-like resilience.

## Easy and Fun

Administering Little Iron Hero Drops is a breeze! With its child-friendly dropper, you can effortlessly add this superhero elixir to their favorite beverages or meals. Make iron supplementation a fun and enjoyable experience for your little hero.

# IRONMAX

## Syrup

## The Ultimate Solution for Low Iron Efficiency!

### Product Specifications

<b>Target Group</b>	: Children between 4-10 years old
<b>Dosage Form</b>	: Wellvalens Iron Max Syrup comes in form of 150 mL
<b>Recommended Usage</b>	: 1 scale (5ml) per day
<b>Active Ingredients</b>	: Iron Elemental 50 mg per 5 ml
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C. Keep away from children's reach

# Key Features & Benefits

## Boost Your Energy

Our carefully crafted syrup contains a powerful 50 mg of active Elemental Iron per 5 mL. Say goodbye to fatigue and hello to boundless energy that keeps you going strong all day long!

## Thrive and Succeed

Don't let low iron levels hold you back! Whether you're a go-getter professional, a fitness enthusiast, or a dream chaser, Wellvalens Iron Max Syrup provides the extra edge you need to thrive and succeed in every aspect of your life.

## Rediscover Your Spark

Reignite your inner spark of vitality with Wellvalens Iron Max Syrup. Experience the revitalizing power of optimized oxygen transport, reinvigorating your cells and muscles, and awakening your youthful energy.

## Stay Sharp and Focused

Mental clarity is essential for achieving your goals. Wellvalens Iron Max Syrup supports brain function and cognitive performance, helping you stay sharp and focused, so you can seize opportunities and unlock your full potential.

## Strengthen Your Defenses

A robust immune system is your shield against illness. Wellvalens Iron Max Syrup provides the essential iron your body needs to support a strong immune response, ensuring you stay healthy and resilient.

## Convenient and Delicious

No more struggling with hard-to-swallow pills! Wellvalens Iron Max Syrup is not only effective but also deliciously convenient. Its 150 ml syrup form makes iron supplementation a pleasant and enjoyable experience.

# VITALIRON +B Ferric Forte Syrup

150 ML

"Strong Bodies, Bright Minds!"

## Product Specifications

<b>Target Group</b>	: Children & Adults
<b>Dosage Form</b>	: WELLVALENS Vitaliron +B comes in form of syrup in 150ml bottle.
<b>Recommended Usage</b>	: For Adults, It is recommended to consume two scales (10 ml) daily. For children one scale daily.
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C Keep away from children's reach.
<b>Active Ingredients</b>	: Vitamin C 20 mg, Vitamin B2 2 mg, Vitamin B3 16 mg, Vitamin B1 8 mg Vitamin B6 4 mg, Vitamin B5 4 mg, Vitamin B12 10 mcg, Calcium 20 mg, L-lysine 80 mg, Iron 14 mg, Zinc 10 mg, Copper 500 mcg, Manganese 0,05 mg, Folic acid 300 mcg, Iodine 80 mcg

## Key Features & Benefits

### Comprehensive Nutrient Blend

Contains 14 essential nutrients, including vitamins (B-complex, C, and folic acid), minerals (iron, zinc, calcium, copper, manganese, iodine), and L-lysine.

### Iron-Rich Formula

Provides 14 mg of iron to support red blood cell production and combat anemia.

Fe

### Immune Support

Enriched with Vitamin C, zinc, and folic acid to strengthen the immune system.

### Energy Boosting

B-complex vitamins (B1, B2, B3, B5, B6, and B12) enhance energy metabolism and reduce fatigue

### Bone and Growth Support

Calcium and L-lysine contribute to bone health and support growth and development.

### Thyroid Health

Contains iodine to support normal thyroid function and metabolism.

### Convenient Liquid Form

Easy-to-consume liquid format suitable for individuals who have difficulty swallowing tablets or capsules.

★ Wellvalens WELLFEGLOBIN LIQUID 150 ml supports energy production, immune function, and red blood cell formation with its blend of essential vitamins, minerals, and amino acids like iron, zinc, and L-lysine. It promotes overall vitality, healthy metabolism, and helps address nutrient deficiencies that contribute to fatigue and weakness.

# WELLFER FERROUS FUMARATE

## SYRUP Max 150 ml

### “Strong Blood, Happy Kids!”

## Product Specifications

<b>Target Group</b>	: Children between 4-10 Years Old
<b>Dosage Form</b>	: WELLVALENS WELLFER SYRUP comes in form of syrup in 150mL bottle.
<b>Recommended Usage</b>	: It is recommended to consume one scale (5 ml) per day or as directed by your health Professional.
<b>Active Ingredients</b>	: 45 mg
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C Keep away from children's reach

# Key Features & Benefits

## High-Bioavailability Iron (Ferrous Fumarate)

Formulated with 45 mg of Ferrous Fumarate per serving, a highly effective and stable form of iron. It is specifically chosen for its superior absorption rates, helping to replenish iron stores more efficiently than standard iron salts.

FERROUS  
FUMARATE  
SYRUP

## Essential Hemoglobin Support

Acts as the core building block for hemoglobin, the protein in red blood cells that carries oxygen from the lungs to the rest of the body. Wellfer ensures every cell receives the oxygen it needs for healthy growth and function.

## Combatting Fatigue & Weakness

Specifically designed to target the primary symptoms of iron deficiency. By restoring healthy iron levels, it helps eliminate the persistent fatigue, physical weakness, and shortness of breath associated with anemia.

## Cognitive Development & Focus

Iron is a critical nutrient for brain health. Wellfer supports cognitive function, improving concentration and mental clarity in developing children (4-10 years old) and ensuring they have the mental energy for learning.

## Immune System Fortification

A well-oxygenated body is a resilient one. Iron plays a vital role in maintaining a strong immune response, helping the body's natural defenses stay robust against seasonal challenges.

## Optimized for Growth & Vitality

Supports the rapid physiological changes in children. From muscle development to overall energy metabolism, Wellfer provides the metabolic fuel necessary for an active and healthy childhood.

## Gentle Liquid Formulation

The smooth syrup format is designed for easy administration and precise dosing. It is better tolerated by the digestive system, making it an ideal choice for children and individuals with sensitive stomachs.

# WELLFER-Z Syrup

"Grow Strong, Stay Healthy!"

## Product Specifications

<b>Target Group</b>	: Children between 4-10 Years Old
<b>Dosage Form</b>	: Wellvalens WELLFER-Z SYRUP comes in form of syrup in 150mL bottle.
<b>Recommended Usage</b>	: It is recommended to consume 2 scales (10 ml) per day for children aged 4-10.
<b>Active Ingredients</b>	: Ferric Ammonium Citrate 225 mg, Vitamin B3 (Nicotinamide) 50 mg, Vitamin B6 (Pyridoxine HCL) 15 mg, : Vitamin B12 (cyanocobalamin) 7.5 mcg Zinc (Zinc sulfate monohydrate) 44.4 mg
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	To be stored inside its pack, in an ambient dry and cool temperature below 25°C Keep away from children's reach

# Key Features & Benefits

## Comprehensive Formula for Children's Health

A carefully formulated combination of iron, vitamins, and zinc designed to support the overall health and development of children.

## Gentle Iron Supplement

Contains Ferric Ammonium Citrate, a form of iron that is gentle on the stomach while effectively supporting red blood cell production and preventing anemia in growing children.

WELLFER-Z Syrup

## Supports Cognitive Development

Enriched with Vitamin B6, Vitamin B12, and Zinc, essential nutrients that play a crucial role in brain development and cognitive function.

## Boosts Immunity

Zinc helps strengthen the immune system, supporting the body's natural defenses against infections and illnesses common in children.

## Great Taste for Easy Consumption

The syrup is designed with a pleasant taste (strawberry taste) to encourage daily consumption, making it easier for parents to ensure children get the nutrients they need.

## Child-Friendly Formula

Specially formulated to meet the unique nutritional needs of children, supporting their growth and development during their formative years.

## Gentle and Effective Iron Source

The gentle form of iron (Ferric Ammonium Citrate) ensures that children can safely supplement their iron intake without gastrointestinal discomfort.

## Supports Long-Term Health

Regular supplementation with Wellfer-Z helps support long-term health by preventing nutrient deficiencies and supporting the immune system, cognitive function, and overall development.

## HAPPY TUMMY

## SYRUP

100ml

Mint  
— Flavor —

"Gentle Relief for Little Tummys!"

### Product Specifications

<b>Target Group</b>	: Children between 4-10 Years Old
<b>Dosage Form</b>	: Wellvalens Happy Tummy comes in form of syrup in 100ml bottle.
<b>Recommended Usage</b>	: For children aged 4-10 years, it is recommended to consume 1 measuring spoon (5 ml) daily. For adults and children aged 11 years and over, it is recommended to consume 2 measuring spoons (10 ml) daily.
<b>Active Ingredients</b>	: Sodium Bicarbonate , Dill Seed Oil
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C Keep away from children's reach

# Key Features & Benefits

## Comprehensive Digestive Support

Specially developed for both children and adults, this liquid formula provides balanced digestive support for the whole family. Its carefully selected ingredients help maintain everyday stomach comfort across all age groups.

## Advanced Acid Balance Technology

Sodium bicarbonate supports the neutralization of excess gastric acidity, contributing to a more balanced stomach environment. This helps promote post-meal comfort and reduces sensations of acidity and heaviness.

## Natural Carminative Power of Dill Oil

Dill oil is traditionally valued for its gentle digestive properties. It helps reduce gas formation, supports intestinal comfort, and promotes relief from bloating in a mild and well-tolerated manner.

## Synergistic Gastrointestinal Relaxation

The combination of sodium bicarbonate and dill oil works synergistically to support digestive tract relaxation, helping ease occasional abdominal discomfort and promote a feeling of lightness.

## Fast-Acting Liquid Format

The liquid delivery system allows rapid dispersion and ease of use. Ideal for children and adults who prefer a convenient, easy-to-swallow format, especially when quick digestive support is desired.

## Supports Post-Meal Comfort

Designed to be taken after meals, this formula helps maintain digestive balance and promotes stomach ease following heavy or irregular eating patterns.

## Structured Daily Digestive Wellness

Formulated to fit into a regular wellness routine, this supplement supports healthy digestive function and everyday gastrointestinal balance for the entire family.

# WELLVITA COUGH SYRUP 100 ML

"Soothe Your Throat, Stop the Cough!"

## Product Specifications

<b>Target Group</b>	: Children between 4-10 Years Old
<b>Dosage Form</b>	: Wellvalens WELLVITA COUGH SYRUP comes in form of syrup in 100mL bottle.
<b>Recommended Usage</b>	: It is recommended to consume one scales (5 ml) per day for children aged under 14 years, after morning and midday meals. Adults and children 14 and over one spoonful (5 ml) three times per day after meals.
<b>Active Ingredients</b>	: Gliserin 750 MG
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C Keep away from children's reach

## Key Features & Benefits

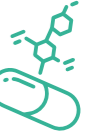

### Soothing Glycerin Formula

Contains 750 mg of Glycerin per 5 ml, providing a gentle and soothing effect on the throat to relieve irritation and coughing.

### Natural Moisturizer for Dry Cough

Glycerin acts as a natural demulcent, forming a protective coating in the throat to alleviate discomfort caused by dry or persistent coughing.

### WELLVITA COUGH SYRUP

### Non-Drowsy Formula

Designed to provide effective cough relief without causing drowsiness, making it suitable for use during the day or while working.

### Gentle on the Stomach

Glycerin is a gentle ingredient, making this syrup easy on the digestive system, even for individuals with sensitive stomachs.

### Pleasant Taste

The syrup is formulated with a pleasant flavor Lemon and Peach, encouraging compliance, especially in children and individuals who are sensitive to strong-tasting medicines.

### Safe for Children and Adults

Suitable for use by both children and adults, providing versatile cough relief for the entire family.

### High-Quality Manufacturing Standards

Manufactured in GMP-certified facilities to ensure product safety, quality, and effectiveness.

### Soothes Dry and Irritated Throats

Glycerin forms a protective barrier on the throat, soothing irritation and providing relief from persistent, dry coughs.

### Relieves Coughing

Helps to suppress coughing, particularly dry or non-productive coughs, allowing for more restful sleep and improved comfort during the day.

### Moisturizes the Throat

Glycerin helps to keep the throat moist, reducing the tickling sensation that often leads to coughing.

# Key Features & Benefits

## Superior Absorption

Wellvalens Sunny Drops with an olive oil base, ensuring superior absorption of Vitamin D3, delivering its benefits more effectively to your body. Wellvalens Sunny Drops provide a reliable source of 4200 IU (140 IU/drop) of Vitamin D3, allowing you to maintain optimal levels regardless of sun exposure.

## Sunshine in a Bottle

Even when sunlight is limited, Wellvalens Sunny Drops provides a convenient and reliable source of this vital nutrient, supporting overall health and well-being and allowing you to maintain optimal levels regardless of sun exposure.

## Supports Bone Health

Sunny Drops helps modulate immune responses, empowering your body's natural defense mechanisms to stay resilient against common illnesses as well as with each drop of Wellvalens Sunny Drops it support strong and healthy bones by aiding in calcium and phosphorus absorption, promoting bone density and reducing the risk of fractures.

## Boosts Your Immune System

As vitamin D3 plays a crucial role in modulating immune responses and enhancing your body's defense mechanism, Wellvalens Sunny Drops naturally boosts your immune system.

## Mood Enhancement

Elevate your mood naturally with Wellvalens Sunny Drops, as studies have linked low levels of Vitamin D3 to symptoms of depression and seasonal affective disorder (SAD).

## Heart Health

Wellvalens Sunny Drops contribute to cardiovascular wellness by helping regulate blood pressure, reducing inflammation, and supporting proper heart function.

## Product Specifications

<b>Target Group</b>	: Children & Adults
<b>Dosage Form</b>	: Wellvalens Sunny Drops 4200 IU/ml 10 ml
<b>Recommended Usage</b>	: 1 to 2 drops per day for age between 4-10 years old / 2 to 4 drops per day for age from 11+ years old
<b>Active Ingredients</b>	: Cholecalciferol (Vitamin D3) 4200 IU/ ml 10 mL.
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C Keep away from children's reach

# Wellvalens HappyGut Junior,

“The trusted choice for a happy and healthy tummy.”

## Product Specifications

<b>Target Group</b>	: Adults & Children
<b>Dosage Form</b>	: Wellvalens HappyGut Junior comes in form of 10 sachets/pack.
<b>Recommended Usage</b>	: 1 sachet per day for Children , 2 sachets per day for adults
<b>Active Ingredients</b>	: Probiotic Microorganism Lyophilized Saccharomyces Boulardii
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C. Keep away from children's reach

# Key Features & Benefits

## Probiotic Power

Wellvalens HappyGut Junior is a premium probiotic supplement specifically designed for kids. Each sachet contains a powerful blend of lyophilized Saccharomyces Boulardii, providing 5 billion CFU (colony-forming units) per sachet or 10 billion CFU per two sachets.

## Probiotic MICROORGANISM

## Promotes Gut Health

HappyGut Junior supports a healthy gut microbiome, essential for optimal digestion and immune function in kids. Probiotic microorganisms work to maintain a balanced gut environment and support overall digestive wellness.

## Convenient Sachet Format

Each sachet is carefully formulated for easy consumption. Simply tear open a sachet and mix it into your child's favorite beverage or food. The convenient format ensures hassle-free daily supplementation.

## Trusted Quality

Wellvalens HappyGut Junior is made with high-quality ingredients and follows strict manufacturing standards. Rest assured that your child is receiving a reliable and effective probiotic supplement.

# VEZIGRA

## D-MANNOSE & PROBIOTIC

Natural urinary tract support with probiotic synergy

7 Single-Dose Sticks  
Cranberry Flavor

“Natural Support for Everyday Comfort”

## Product Specifications

<b>Target Group</b>	: Adults and adolescents aged 11+ who experience urinary discomfort or are prone to recurrent UTIs, seeking non-antibiotic, natural support.
<b>Dosage Form</b>	: Oral powder – single-use stick
<b>Recommended Usage</b>	: Take 1 stick per day, dissolved in 200 ml water. During acute discomfort: 2 sticks daily or as directed by a healthcare professional.
<b>Active Ingredients</b>	: D-Mannose – 2000 mg, Lyophilized <i>Saccharomyces cerevisiae</i> , <i>Streptococcus thermophilus</i>
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: Store below 25°C in a dry place. Do not use if the sachet is open or damaged. Keep out of reach of children.

# Key Features & Benefits

## Dual-Action Urinary Defense (D-Mannose 2000 mg)

Featuring a high-potency 2000 mg dose of D-Mannose. This natural simple sugar acts as a primary defense by helping to prevent undesirable bacteria from adhering to the urinary tract walls, facilitating their natural elimination without disrupting your body's balance.

## Targeted Microbiome Restoration

Unlike standard supplements, Vezigra combines two specific probiotic strains: *Saccharomyces boulardii* and *Streptococcus thermophilus*. This 2-billion CFU daily dose helps restore a healthy balance of microflora, which is often disrupted by urinary discomfort.

## Resilient Probiotic Protection (*S. boulardii*)

Contains lyophilized *Saccharomyces boulardii*, a hardy probiotic yeast that survives stomach acid to reach the intestines and beyond. It supports the body's natural flora and helps maintain a robust immune response where it's needed most.

## Cranberry-Infused Support & Flavor

Enhanced with natural Cranberry flavor, known globally for its traditional role in urinary wellness. This provides a refreshing taste while aligning with the product's core mission of promoting a healthy urinary environment.

## Stevia-Sweetened & Clean Formula

Formulated with Steviol glycosides (Stevia), providing a pleasant sweetness without the use of sugar or artificial calorie-heavy sweeteners. It's a clean-label solution designed for health-conscious individuals.

## Optimal Solubility & Rapid Action

The convenient sachet format ensures that the D-Mannose and probiotics are activated the moment they are mixed with water. This liquid delivery system allows for faster transit through the system for timely support.

## Physician-Grade Preventive Care

Whether used as a proactive measure for recurring discomfort or as a specialized support ritual, Vezigra offers a professional-grade nutritional approach to maintaining long-term bladder and urinary tract harmony.

# VitaReplete

## Post-Bariatric Support

One single shot provides all essential vitamins and minerals for daily support.

SHOTS

“Complete Bariatric Nutrition. One Shot a Day”

## Product Specifications

<b>Target Group</b>	: Adults (11+)
<b>Dosage Form</b>	: Vita-Replete Bariatric Multivitamin and Minerals Liquid comes in the form 15 Shots
<b>Recommended Usage</b>	: Take 1 shot (10 ml) per day. Shake well before use. Do not exceed the recommended daily dose.
<b>Shelf-Life</b>	: 24 months
<b>Storage</b>	: Store in a cool, dry place below 25°C. Keep out of reach of children.
	Not recommended during pregnancy or breastfeeding unless advised by a healthcare professional.
<b>Active Ingredients</b>	: Calcium (Carbonate + Citrate) – 300 mg total elemental, Magnesium (Oxide) – 100 mg, Vitamin C – 45 mg, Iron (Ferrous Fumarate) – 11.3 mg, Vitamin E – 15 mg α-TE, Zinc – 7.5 mg, Vitamin D3 – 18.8 µg (752 IU), Vitamin B3 – 5 mg NE, Vitamin A – 560 µg RE, Vitamin B1 – 3 mg, Vitamin B5 – 2.5 mg, Manganese – 500 µg, Biotin – 150 µg, Iodine – 38 µg, Copper – 0.5 mg, Vitamin B6 – 0.5 mg, Vitamin B2 – 0.43 mg, Folic Acid – 335 µg, Chromium – 30 µg, Vitamin B12 (Methylcobalamin) – 140 µg, Molybdenum – 18.8 µg, Selenium – 18 µg

# Key Features & Benefits

## Post-Surgical Absorption Specialist

Specifically engineered for the altered digestive landscape following bariatric surgery. The concentrated 10 ml liquid “shot” format bypasses the need for complex digestion, offering rapid absorption and high tolerability for patients who struggle with solid tablets.

## Dual-Action Calcium Matrix (Carbonate & Citrate)

Combines two specialized forms of Calcium to ensure maximum utilization. The inclusion of Calcium Citrate is crucial for post-op patients, as it can be absorbed efficiently even in environments with reduced gastric acid.

## Neurological Vitality with Methylcobalamin

Features high-dose Vitamin B12 in its superior Methylcobalamin form. This highly bioavailable version ensures optimal neurological function, red blood cell formation, and energy levels, addressing one of the most common deficiencies after weight-loss surgery.

## Gentle & Effective Iron Replenishment

Contains Ferrous Fumarate, a well-tolerated and highly absorbable form of iron. It works to maintain healthy hemoglobin levels and prevent post-surgical anemia without causing unnecessary digestive strain.

## Synergistic Defense (Vitamins A, C, D3 & E)

A comprehensive array of B-vitamins (B1, B2, B3, B5, B6, Biotin, Folate) acts as a metabolic catalyst. This complex is essential for psychological performance, cognitive clarity, and converting nutrients into cellular energy.

## Essential Trace Mineral Shield

A robust blend of Zinc, Selenium, Copper, Manganese, Chromium, Molybdenum, and Iodine. These minerals are vital for tissue repair, thyroid health, and maintaining a balanced immune response during the recovery journey.

## Maximum Compliance & Convenience

The ready-to-drink 10 ml bottle fits perfectly into a busy lifestyle. It eliminates “pill fatigue” and ensures that patients can meet their complex nutritional requirements in one easy, daily step.

# VitaReplete

## Bariatric Tablets

With just one tablet, patients receive all the essential vitamins and minerals they need to support their recovery journey

**“Bioavailable Formula. Just One Daily Tablet.”**

# Key Features & Benefits

## Comprehensive Nutrient Profile

Contains a broad range of essential vitamins and minerals, specifically formulated to support post-bariatric surgery patients, ensuring they meet their daily nutritional requirements.

## Support for Energy and Metabolism

B vitamins (B1, B2, B3, B6, B12, Biotin, Pantothenic Acid) help convert food into energy, supporting metabolism and reducing post-surgery fatigue.

## Bone Health

High levels of Calcium (Carbonate and Citrate) along with Vitamin D3 promote strong bones and aid in calcium absorption, crucial for post-surgery recovery.

## Immune System Support

Vitamins A, C, D3, E, Selenium, and Zinc play critical roles in strengthening the immune system, helping the body defend against infections during recovery.

## Iron-Rich Formula

Includes Iron (Ferrous Fumarate), addressing common iron deficiencies in bariatric patients, which can lead to anemia if untreated.

## Antioxidant Protection

Vitamin C, Vitamin E, and Selenium offer antioxidant benefits, protecting cells from oxidative damage and promoting healing.

## Thyroid Function and Metabolic Health

Contains Iodine and Chromium Picolinate, which support thyroid function and blood sugar regulation, helping maintain a healthy metabolism.

## Micronutrient Support

Manganese, Copper, and Molybdenum contribute to enzyme function and the maintenance of connective tissues and bone health.

## Product Specifications

<b>Target Group</b>	: Adults
<b>Dosage Form</b>	: Vita-Replete Bariatric Multivitamin and Minerals Tablets comes in the form of 30 & 120 Tablets
<b>Recommended Usage</b>	: Adults take 1 tablet once per day with 1 glass (200ml) water as a dietary supplement. Or as per physician advise
<b>Shelf-Life</b>	: 24 Months
<b>Storage</b>	: To be stored inside its pack, in an ambient dry and cool temperature below 25°C Keep away from children's reach

**Active Ingredients** : Vitamin A (Retinyl Acetate) 560 mcg, Vitamin C (L-Ascorbic Acid) 45 mg, Vitamin D3 (Cholecalciferol) 18,8 mcg, Vitamin E (DL-Alpha Tocopheryl Acetate) 15 mg, Vitamin B1 (Thiamine HCl) 3 mg, Vitamin B2 (Riboflavin) 430 mcg, Vitamin B3 (Niacinamide) 5 mg, Vitamin B6 (Pyridoxine HCl) 500 mcg, Folic Acid (Pterolymonoglutamic Acid) 335 mcg, Vitamin B12 (Methylcobalamin) 140 mcg, Biotin 150 mcg, Vitamin B5 Pantothenic Acid (D-Calcium Pantothenate) 2,5 mg, Calcium (Calcium Carbonate) 250 mg, Calcium (Tri Calcium citrate) 50 mg, Iron (Ferrous Fumarate) 11,3 mg, Iodine (Potassium Iodide) 38 mcg, Magnesium (Magnesium Oxide) 100 mg, Zinc Sulphate Monohydrate 7,5 mg, Selenium (Selenomethionine) 18 mcg, Copper (Copper sulfate) 500 mcg, Manganese (Manganese(II) sulfate) 500 mcg, Chromium (Chromium Picolinate) 30 mcg, Molybdenum (Sodium molybdate) 18,8 mcg

★ **This formulation is designed to address the specific nutritional needs of individuals following bariatric surgery, aiding in recovery and maintaining long-term health.**

# VitaReplete

## Chewable Tablets

Complete chewable micronutrient formula for post-bariatric support

“Advanced Bariatric Nutrition, Easy to Chew.”

### Product Specifications

<b>Target Group</b>	: Adults
<b>Dosage Form</b>	: Chewable tablet
<b>Recommended Usage</b>	: 1 chewable tablet per day or as recommended by a healthcare provider.
<b>Shelf-Life</b>	: 24 months
<b>Storage</b>	: Store in a cool, dry place below 25°C. Protect from light and moisture. Keep out of reach of children. Not recommended during pregnancy or breastfeeding unless advised by a healthcare provider.
<b>Active Ingredients</b>	: Calcium (Carbonate + Citrate) – 300 mg total elemental, Magnesium (Oxide) – 100 mg, Vitamin C – 45 mg, Iron (Ferrous Fumarate) – 11.3 mg, Vitamin E – 15 mg α-TE, Zinc – 7.5 mg, Vitamin D3 – 18.8 µg (752 IU), Vitamin B3 – 5 mg NE, Vitamin A – 560 µg RE, Vitamin B1 – 3 mg, Vitamin B5 – 2.5 mg, Manganese – 500 µg, Biotin – 150 µg, Iodine – 38 µg, Copper – 0.5 mg, Vitamin B6 – 0.5 mg, Vitamin B2 – 0.43 mg, Folic Acid – 335 µg, Chromium – 30 µg, Vitamin B12 (Methylcobalamin) – 140 µg, Molybdenum – 18.8 µg, Selenium – 18 µg

## Key Features & Benefits

### Dual-Source Calcium for Enhanced Absorption

Formulated with both Calcium Carbonate and Calcium Citrate to optimize calcium availability. This dual-source approach supports bone mineral density and is particularly suitable for individuals with reduced gastric acid levels.

### Highly Bioavailable Methylcobalamin (Vitamin B12)

Provides Vitamin B12 in its active methylcobalamin form, supporting red blood cell formation, energy metabolism, and neurological function.

### Gentle and Effective Iron Support (Ferrous Fumarate)

Supplies iron in a well-tolerated form to support normal hemoglobin formation and oxygen transport, helping maintain healthy iron levels.

### Highly Bioavailable Methylcobalamin (Vitamin B12)

Includes essential B vitamins (B1, B2, B3, B5, B6, Biotin, Folic Acid, B12) to support energy production, cognitive performance, and overall metabolic balance.

### Essential Trace Mineral Matrix

Zinc, Selenium, Copper, Chromium, Manganese, Iodine, and Molybdenum contribute to immune function, enzymatic activity, antioxidant defense, and metabolic regulation.

### Vitamins A, C, D3 & E for Tissue and Immune Support

A synergistic combination of fat- and water-soluble vitamins that supports tissue maintenance, antioxidant protection, immune resilience, and calcium utilization.

### Structured Post-Bariatric Nutritional Support

Carefully designed to meet the increased micronutrient needs associated with restricted intake or altered absorption, supporting long-term nutritional balance.
